CURRICULUM VITAE

HOWARD I. KUSHNER, Ph.D.

Nat C. Robertson Distinguished Professor of Science & Society, Emeritus
Emory University, Atlanta, GA 30322 &
John D. Adams Professor, Emeritus
Department of History &
Adjunct Professor
Graduate School of Public Health
San Diego State University
San Diego, CA 92182-6050 &
Mentor, Chancellors Scholar Program
University of California, San Diego 92037

EDUCATION

AB Rutgers University (Cum Laude), 1965
Cornell Law School, 1965-1966
MA Cornell University, 1968
PhD Cornell University, 1970

EMPLOYMENT

Academic Appointments:

Adjunct Professor, Graduate School of Public Health, San Diego State University, 2016-
Visiting Scholar, Department of Communication, University of California, San Diego, 2015-
Nat C. Robertson Distinguished Professor of Science and Society, Emory University, 2000; Emeritus, 2015-
Professor, Emory College, Center for Human Health, 2013-
Professor, Emory College, Program in Neuroscience & Behavioral Biology, 2011-
Professor, Emory College, Graduate Institute of Liberal Arts, 2002-
Professor, Rollins School of Public Health, Behavioral Science & Health Education, 2001-

Professor, Emory College, Department of Biology, 2000-2002
Associated Scholar, Department of History, 2000-2015
John R. Adams Professor of History, San Diego State University, 1980-2002; Professor Emeritus, 2002-present.

Academic Affiliations:

Emeriti Association, University of California, San Diego, 2015-
Laboratory of Comparative Human Cognition, Department of Communication, University of California, San Diego 2014-
Research Faculty, Emory University+Children's Hospital Pediatric Research Center, 2009-

Administrative Appointments:

Director of MPH Program, Department of Behavioral Sciences and Health Education, Rollins School of Public Health, Emory University, 2006-2012.
Associate Director, Center for the Study of Health, Culture, & Society, Emory University, 2002-2009.

Previous Appointments

John R. Adams Professor of Graduate Interdisciplinary Studies, San Diego State University, 1980-2001
Visiting Scholar, University of California, San Diego, 1994-2002
Professor of History of Medicine, San Diego State University, 1980-2000
Jennifer Allen Simons Professor, Simon Fraser University, Vancouver, British Columbia, 1996-1997
Visiting Professor, Université de Nice, 1989-1990
Associate Professor of History, Concordia University, 1977-1980
Visiting Associate Professor, Cornell University, 1976-1977
Associate Professor of History, SUNY, Fredonia, 1975-1977
Visiting Assistant Professor, San Francisco State University, 1974-1975
Assistant Professor of History, SUNY, Fredonia, 1970-75

PUBLICATIONS

Books

Grants and Fellowships
Awarded

2011 The Center for Mind, Brain and Culture, Award for Course Development for "Laterality and Handedness," (spring 2012, $4,500.)

2009 Nazeera Dawood and **Howard I. Kushner**, John Snow Institute Pilot Grant for "Reducing Women's Health Disparities: Follow-Up of Smoking on Women Post MI Patients at Grady Hospital. $ 1,875.

2009 **Howard I. Kushner** Woodruff Research Fellowship for Collaborative Project on the History of Infectious Etiologies of Neuropsychiatric Disorders. $2,500.

2005-2009 Arri Eisen, **Howard Kushner,** John Ford, Joseph Hoey, "Sophomore Year at Emory Living and Learning Experience: An Interdisciplinary Seminar Course/Internship in Addiction and Depression" Engelhard Foundation, ($160,000--$80,000 institution matched), 2005-2008

2004-2008 Claire E. Sterk, Principal Investigator, **Howard I. Kushner**, Co-PI, Kirk Elifson, Co-PI, "Current Smokers: A Phenomenological Inquiry," National Institutes of Health, National Institute on Drug Abuse, 1RO1 DA015707-01A2, Total amount: $ 1,780,000.

2003-2008 Chin, G., Burns, JC, Turner, CH **Kushner HI**. Co- PIs: "Public Education and Communication on Improving Health Care Delivery in Kawasaki Disease. " National Institutes of Health, National Library of Medicine (G13LM007855) $50,000 per year, 3 years. (Plus $120,000 Matching from KD Parents Foundation).

2002-2003 **Howard I. Kushner** & Peter J. Brown. "Developing an Undergraduate Curriculum in Health, Culture, and Society" Emory University University Teaching Fund Committee. $15,568

2001-2005 Investigator, Club Drugs: Ecstasy Use Patterns and HIV Risk. National Institutes of Health, National Institute on Drug Abuse (RO1DA14232). Total amount: $ 2,632,145.

2000 - 2001 Investigator, Development of Innovative Web-Based Teaching for Interdisciplinary Microbiology & Immunology Courses. Emory University Teaching Fund for (awarded to Gordon Churchland, Kirk Ziegler, Paula Frew & Howard Kushner). Total amount $10,000.

1992 - 2001 John Adams Humanities Grant for Master of Arts in Liberal Arts and Sciences. San Diego State University Foundation. Total amount renewable @ $22,000 per annum, 1995-2000.

1999 - 2000 Principal Investigator, Kawasaki Disease Research. UCSD Chancellor's Grant (awarded to J.C. Burns, H. I. Kushner, & C. Turner). Total amount: $7,500.

1999 - 2000 Principal Investigator, Translation Grant, for translations of German and Japanese Documents on Kawasaki-Disease. San Diego State University, CAL fund. Total amount $ 8,000.

1999 Scholar, Scholarship, and Creative Activity Fellowship for History of Kawasaki's Disease. California State University System. Total amount: $ 6,200.

1998 - 1999 Principal Investigator, Travel Grant to Japan. Japan Kawasaki Disease Center (awarded to J.C. Burns, H. I. Kushner, & C. Turner). Total amount $15,000.

1994 - 1996 Principal Investigator, History of Gilles de la Tourette Syndrome. National Endowment for the Humanities Science & Technology Grant. Total amount: $108,000.

1994 - 1995 Co-Principal Investigator, Institute for Instruction of University Faculty in teaching Interdisciplinary Graduate Courses. National Endowment for the Humanities (with Charles Strain, De Paul University & Diane Sasson, Duke

University) for Association for Graduate Schools of Liberal Studies. Total amount: $97,000.

1994 Co-Principal Investigator, Borders, Boundaries and Cultural Diffusion. Irvine Foundation Grant (with Judith Liu). Total amount: $ 10,000.

1993 Scholar and Creative Activity Fellow, History of Gilles de la Tourette Syndrome. California State University System. Total amount: $5,080.

1993 Scholar and Creative Activity Fellow, History of Gilles de la Tourette Syndrome. California State University System. Total amount: $5,080.

Pre-1993:

CASU Summer Faculty Fellowship, 1989, for History of Suicide, $4,621.
CAL Research Grant, Fall. 1985, for History of Suicide, $400.
CAL Summer Research Grant, 1985, for data collection on suicide, $500.
Faculty Grant-in-Aid, San Diego State University, joint suicide study, 1983, $800.
Faculty Grant-in-Aid, San Diego State University, 1982, Suicide Data Collection, $2400.
California State University Summer Institute Fellowship, 1980.
Fulbright Senior Fellowship, Hebrew University, Jerusalem, 1979-1980 (declined).
Canada Council Seed Grant, for Meriwether Lewis Study, 1979, 500.
Chancellor's SUNY Post-Doctoral Sabbatical Award, 1976, for training in psychoanalysis $8300.
SUNY Research Foundation Grant, 1974, $1,800.
SUNY Research and Travel Grant, 1973, $3,500.
Fredonia Foundation Research Grant, summer, 1971, $1,000.
Cornell University Research Foundation, Travel Grant, 1970, $1,000.

SCHOLARLY PRESENTATIONS

Papers Presented at Professional Meetings

Howard I. Kushner, "Left-Handedness, Homosexuality, & Meta-Analysis, in the Twentieth Century U.S." American Association for the History of Medicine 2017 Annual Meeting Nashville, TN May 4-7 2017

Howard I. Kushner, "Classification and its Sequela," comments on "Binaries, Scales, and Other Modes of Classification in the Social and Life Sciences," Annual Meeting of the History of Science Society, Atlanta, GA, 5 November 2016.

Howard I. Kushner, "Social Trauma and Suicide in Historical Perspective," Institut universitaire d'histoire de la médecine et de la santé publique, Lausanne, Switzerland, 13 June 2016.

Eva Yompolsky and **Howard I. Kushner, "**Suicidology: An Obstacle to a Culturally Informed Study of Suicide," Suicide's Cultural Turn and Beyond, Prague, The Czech Republic, 16 March 2016.

Howard I. Kushner, Norman Geschwind, Behavioral Neurology and Left Handedness, presentation to the Neuroscience and History Lecture Series Sponsored by the Center for Science and Society and Presidential Scholars in Society and Neuroscience, Columbia University, November 11, 2015.

Howard I. Kushner, "Left-Handedness & the Jewish Question in Early 20th Century Europe," Festschrift in Honor of Sander Gilman, Emory University, 12 October 2015.

Howard I. Kushner, "Curing Left-Handers or Creating Stutterers: The Controversy over the (re)Education of Left-Handers in 20th-Century America," Johns Hopkins University, Program in the History of Science, Medicine and Technology Colloquia, October 8, 2015.

Howard I. Kushner, "Andrew Appleby, SDSU, and the Applied History of Medicine," Appleby Memorial Lecture, San Diego State University, 17 April 2015.

Howard I. Kushner, "Norman Geschwind, Behavioral Neurology, and Left-Handedness," 26th Annual Meeting of the American Neuropsychiatry Association (ANPA), Orlando, FL, 27 March 2015.

Howard I. Kushner, "History as a Research tool: Norman Geschwind and the Birth of Behavioral Neurology," Annual Meeting of the American Association for the History of Medicine, Chicago, IL, 10 May 2014.

Howard I. Kushner, "Left-Handedness & Learning Disabilities in Historical Perspective," 10th Annual J. Willis Hurst Symposium," Emory University School of Medicine, 28 September 2013.

Howard I. Kushner, "Deficit or Talent? Left-Handedness in Historical and Biological Perspective," 26th Annual Peter W. Lampert Memorial Lecture, University of California, San Diego, School of Medicine, 23 May 2013.

Howard I. Kushner, "The Black Death of 1347 and Why it Matters in 2012," Tbilisi State University School of Medicine, 24 September 2012.

Howard I. Kushner, "Diagnosing Kawasaki Disease," Tbilisi State University School of

Medicine, 23 September 2012.

Howard I. Kushner, "Cesare Lombroso, Robert Hertz, and the Pathology of Left-Handedness," American Association for the History of Medicine, Johns Hopkins University, Baltimore MD, 12 May 2012.

Howard I. Kushner, "A Selective Advantage for Left-Handedness?" Center for Mind, Brain, and Culture, Emory University, 20 October 2011.

Howard I. Kushner, "Toward an Applied History of Medicine," American Olser Society, Philadelphia PA, 1-4 May 2011.

Howard I. Kushner, "Is There a Selective Advantage for Left-Handedness?" Symposium on Evolutionary Medicine: Contributions to the Study of Disease and Immunity, Florida State University, School of Medicine, 25-26 February, 2011.

Howard I. Kushner, "Psychoanalyzing the Psychohistorian: Erik H. Erikson's Identity Crises," Richardson History of Psychiatry Research Seminar at the Weill Cornell Medical College, New York City 19-21 October 2010.

Howard I. Kushner, "The Histories of Medicine: Toward an Applied History of Medicine," 7th Annual J. Willis Hurst Symposium on the History of Medicine, Emory University School of Medicine, 25 September 2010.

Howard I. Kushner, "Neuropsychiatry Confronts Tourette Syndrome, 1825-2010," presented at 15th Annual Meeting of the International Society for the History of Neuroscience," École Normale Supérieure, Paris, France, 15-19 June, 2010.

Howard I. Kushner, "The Cursing Patient: Neuropsychiatry Confronts Tourette Syndrome, 1825-2010," presented at Grand Rounds, The College of Medicine, Florida State University, Tallahassee, FL, 4 February 2010.

Howard I. Kushner. "Race and Medicine," Master of Arts in Liberal Arts Summer Lecture Series, "What is Race," SDSU, 6 July 1994.

Howard I. Kushner. "The Role of Gender in Creating the Historian's Voice," CAL Faculty Development Seminar, San Diego, CA, 5 March 1993.

Howard I. Kushner. "Biology and History: Disease and Colonization," MALA Colloquium, "The Return of Biology to Cultural Discourses," San Diego, CA, 22 February 1993.

Howard I. Kushner. "Paradigms of Evidence in Psychiatry: Anti-Depressive Interventions," MALA Summer Lecture Series, "The Nature of Evidence," San Diego, CA., 29 July 1992.

Howard I. Kushner. "Paradigms of Evidence in Psychiatry: Anti-Depressive Interventions," MALA Summer Lecture Series, "The Nature of Evidence," San Diego, CA., 29 July 1992.

Howard I. Kushner. "Diet as a Force in History," Research Seminar in Nutritional Sciences, San Diego State University, September 27, 1990.

Howard I. Kushner. "Gender and the Human Sciences," in Lecture Series "Why Gender Matters," San Diego State University, July 25, 1990.

Howard I. Kushner. "Neurobiology and History," Summer Lecture Series of the Master of Arts in the Liberal Arts," San Diego State University, July 1, 1987.

Howard I. Kushner. "Neurobiological Challenges to A Psychosocial Paradigm," Group for Psychosomatic Disorders, University of California, San Diego, January 27, 1987.

Howard I. Kushner. "Women, Food, and Fertility: Historical Perspectives," Department of Women's Studies, San Diego State University, March 9, 1984.

Howard I. Kushner. "Sex and Suicide in History," New Views on Women, Department of Women's Studies, San Diego State University, November 10, 1982.

Howard I. Kushner. "Suicide Then and Now," CAL Faculty Lectures," October 13, 1981.

TEACHING EXPERIENCE

Courses Taught
2000-2015 Emory University
Undergraduate:

Laterality: Brain, Mind, Culture and History (NBB)
Addiction, the Brain, History, & Culture (NBB, IDS)
Madness, the Brain & History (NBB, IDS)
Evolution, Consciousness, Crime, & Identity (IDS, Science & Society)
Mental Health and Public Health (NBB, History, joint w/RSPH)
Madness, Sanity, and Culture (History, Psychology, ILA)
Undergraduate Seminar)

Graduate:

Addiction, the Brain, History, & Culture (RSPH, BSHE)
Applied History of Public Health (RSPH, BSHE)
Addiction in Interdisciplinary Perspective (RSPH, BSHE)
History of the Histories of Medicine (ILA, History)
Research Design (ILA)
Laterality: Brain, Mind, Culture and History (Psychology, ILA, CMBC)
Madness, Sanity, and Culture (ILA, History, Psychology)
Mental Health and Public Health (RSPH, joint w/NBB, History)
Mental Health, Sanity, and Culture (RSPH)

Problems in Public Health (RSPH, BSHE)
Disease, History, & Culture (RSPH, BSHE, ILA, History)

Faculty Seminars Organized & Coordinated:

Science & Culture
Race, Health, & Society
Perspectives on Addiction
Paradigms of Consciousness

1996-1997 *Simon Fraser University, Vancouver, Canada*

Passion & Reason (Graduate Seminar)
Paradigms of Consciousness (Graduate Seminar)
Disease, Causation, & History (Graduate Seminar)

1980-2000 *San Diego State University*

History of the United States Colonial to Present
Social History of the United States
Historical Methods (Graduate Seminar)
Seminar in Interdisciplinary Studies (Graduate)
Paradigms of Consciousness (Graduate & Undergraduate)
The Brain in History (Graduate Seminar)
Disease, Causation, & History (Graduate Seminar)
The History of Medicine (Graduate & Undergraduate)

1977-1980 *Concordia University, Montréal, Québec*

Recent American History
Social History of the United States
Graduate Seminar in Psychology and History
Graduate Seminar in Historical Methods

1976-1977 *Cornell University*

United States History to 1877
Psychoanalysis and History

Ph.D. Theses Chaired:
Emory University, ILA

Awarded:

Shlomit Finkelstein, PhD, "Adults with Tourette Syndrome," Graduate Institute of Liberal Arts, 2009. http://pid.emory.edu/ark:/25593/1cjcz

Aukje Kluge, MPH, "A Qualitative Inquiry into Smoking Cessation: Lessons Learned from Smokers" Graduate Institute of Liberal Arts, 2009. http://pid.emory.edu/ark:/25593/1cjw1

Harold Braswell, "Death and Resurrection in US Hospice Care," Graduate Institute of Liberal Arts/ History of Medicine Group, May 2014. http://pid.emory.edu/ark:/25593/fz8dv

Claire D. Clark, MPH, "The Recovery Revolution: Synanon, Recovery Communities, and the Revival of Addiction Treatment in the Long 1960s," Graduate Institute of Liberal Arts/ History of Medicine Group, May 2014. http://pid.emory.edu/ark:/25593/fz3w8

Jennifer Sarrett, M Ed, "Places of Autism: Influences on Experiences of Autism in Atlanta, GA, USA and Kerala, India," Graduate Institute of Liberal Arts/ History of Medicine Group, May 2014. http://pid.emory.edu/ark:/25593/fszgv

Leslie Leighton, MS, MD, "Explaining the decline of coronary heart disease mortality in the United States in the 1960s: An historical analysis,"
Graduate Institute of Liberal Arts/ History of Medicine Group, May, 2015.
http://pid.emory.edu/ark:/25593/d6q3d

Melissa Creary, MPH, "An Identity Crisis for Sickle Cell Dease in Brazil," Graduate Institute of Liberal Arts/ History of Medicine Group, May, 2016. http://pid.emory.edu/ark:/25593/rh7hk; https://vimeo.com/162863080/05eeb32ba9

In Process

Mary Horton, MPH "Learning Medicine in the 21st Century," Graduate Institute of Liberal Arts/ History of Medicine Group, expected 2017.

PhD Thesis Committee Member

Darren M. Mays, "Alcohol Use among High School Athletes" Behavioral Sciences and Health Education," Department of Behavioral Sciences & Health Education, June, 2009.
http://pid.emory.edu/ark:/25593/1fzv8

Masters of Public Health Theses Directed

Emory University, Rollins School of Public Health

Completed MPH & MA Theses:

Deanne Dunbar, "The Emergence of the General Adaptation Syndrome in Contemporary Health Disparities Discourse," MA Thesis, ILA, January 2012.

Mary Mbaba, "Trapped Inside: A Qualitative Study Assessing the Psychosocial Factors Associated with Increased Suicides in Jail," MPH May 2012.

Whitney A. Brown, "A Big Fat Problem? Public Health Students, Obesity Stigma, and the Law," MPH, 14 July 2011. http://pid.emory.edu/ark:/25593/b4v89

Misty Wolf, "The Health Effects of Being Bullied," MPH, May 2011. http://pid.emory.edu/ark:/25593/94ft7

Marcus Houston (MD/MPH), "The CHD Epidemic and Its Consequences," MPH/MD May 2010.

Terrika L. Barham, "Strategies for Confronting Lupus in the Family," MPH December, 2009.

Rebecca Noelle Bates, "Barriers to Health Care Medication Adherence of HIV Infected Individuals," MPH May 2009.

Martha Carey Huckabee, "Female Perpetrators of Intimate Partner Violence," MPH December, 2009.

Yelena Blinder, "Delayed Diagnosis in Kawasaki Syndrome," MPH, May 2008.

Edna Nore, "Knowledge, Beliefs, and Behaviors of Black Adolescent Mothers Regarding Specific SIDS Risk-Reduction Recommendations" [Comparison of Ethnic Differences in Sudden Infant Death Syndrome (SIDS) Death Rates among Adolescent Mothers Living in Georgia, 2000 – 2005]. MPH May, 2008.

Yoojin Kim, "Factors associated with seeking professional psychological help among Korean Americans: Role of religious faith and Asian values." MPH May, 2009

Linxia Vue, "Stigma and Depression Among College and Non-College Students," MPH May 2008.

Monique P. Young, "*Vitamin and Mineral Supplements: Substitutes for a Healthy Lifestyle?"* MPH May, 2008.

Suzanne E. Powell. "Diagnosis of Kawasaki Disease in the in Atlanta," MPH, spring, 2006.

Elizabeth Lefwitch, "Women and Violence: The Experience of Women Graduate Students in Atlanta, GA," MPH. spring, 2006.

Erin Finley, "Mental Health and Migration: The Case of the Somalian Community in Atlanta," spring, 2006.

Elena Green, BSHE "The Evidence for increased MI's and Second-Hand Smoke," MPH, spring 2005 (Selected as a Shepard Prize Finalist)

Tiffany Ponder, BSHE "Tourette Syndrome and Internet Chat Groups: A Therapeutic Tool," MPH, Spring 2005

Kristin Davis, "Teacher Awareness of ADHD," MPH, fall, 2002.

Benjamin Margolis, "Self-Medication and ADHD" MPH, spring, 2003.

Emory Honors Theses:

Jessica Preslar, Autism, lateralization, and handedness: a review of the literature and meta-analysis, Honors Thesis, Neurosciences & Behavioral Biology, May 2012, Chair http://holden.library.emory.edu/ark:/25593/bpr5p

Manas Winefield, "Emotion Regulation and the Brain: The Neural Response to the Reappraisal of Positive and Negative Images," Honors Thesis, Neurosciences & Behavioral Biology, May 2012. Committee http://holden.library.emory.edu/ark:/25593/bnts9

Samantha Grow, "Like Spiders' Webs for Flies": False Confinement in Nineteenth-Century English Asylums," History Honors (High Honors), May 2010. http://pid.emory.edu/ark:/25593/7tdfx , Chair

Nathan Toby, "A History of the Killer Weed," History Honors (Highest Honors) and MA, May, 2005.

Simon Fraser University, Vancouver, MA Theses:

Heather Drugge, "Neurons or Neurosis? The Physiological Pathogenisis of Anorexia Nervosa," MA, Graduate Liberal Studies, 1999.

Paula Braitstein, "The Attribution Of Smallpox As Germ Warfare In North American Encounter History," MA, Graduate Liberal Studies, 1998.

San Diego State University, MA Theses:

Alan Peterson, “Cherished and Ignored: A Cultural History of Betsy Ross,” History, 2000.

Erika Dressler, “The Creation of a Syndrome: from Periarteritis Nodosa to Necrotizing Angiitis,” Master of Arts in Liberal Arts & Sciences (MALAS), 1999.

Kathryn Holcomb, “Where was Kawasaki Disease before Kawasaki? The Stevens Johnson Syndrome Puzzle,” MALAS 1999.

Nancy S. Lee**, “**Telling their own stories : exploring the tropics of Chinese-American and -Canadian biography as an historical genre.” MALAS, 1999.

Mary Holleran, "Georgina Cole and the Feminization of Leadership," MALAS, 1996.
