

Health Management and Policy Division Road Map - Fall 2015

The following roadmap for **full-time MPH students** in Health Management and Policy provides a term-by-term depiction of the courses in which students should enroll over the entirety of their academic career. Please follow this roadmap below as a guide to help you take courses in the correct sequence so that you can graduate in the two year timeframe. Part-time students as well as those in the concurrent MSW/MPH degree program should consult their faculty advisor.
