

CURRICULUM VITAE – Christian B. Ramers, MD, MPH, AAHIVS

1. Personal Data:

Date of Birth 1/12/1976; San Francisco, CA; Citizenship: USA
823 Gateway Center Way
San Diego, CA 92102
christianr@fhcsd.org
Office: 619.798.3649
Fax: 619.906.4564

2. Education:

- a. Undergraduate: B.S. Microbiology & Molecular Genetics, UC Los Angeles (8/1997)
- b. Medical School: M.D. UC San Diego (6/2003)
- c. Graduate: M.P.H. University of Washington (12/2010)
 - Thesis: “Impact of Decentralization of HIV Care on Initiation of Pre-Natal Antiretroviral Therapy in Central Mozambique” (Committee Chair: Mark Micek, MD, MPH)

3. Postgraduate Training:

- a. Internship: Medicine and Pediatrics – Duke University Medical Center (7/2003 – 6/2004)
- b. Residency: Medicine and Pediatrics – Duke University Medical Center (7/2004 – 6/2007)
- c. Fellowship: Infectious Diseases – University of Washington (7/2007 – 6/2009)

4. Current Positions:

- a. **Family Health Centers of San Diego (9/17/12 – Present)**
 - Assistant Medical Director for Research & Special Populations (ACGME) Designated Institutional Official**
 - Director of Graduate Medical Education**
 - Faculty Physician, Family Medicine Residency Program**
 - Develop and lead Graduate Medical Education programs
 - Oversee research activities for large 30-clinic community health center network
 - Chair, Research Committee; Chair, Pain Management Committee; Chair, Residency Committee; Member, Medical Leadership Council; Member, Clinical Quality Committee; Member, Clinical Review Committee
 - Clinical Lead for Special Populations: HIV, Hepatitis C, Homeless, Chronic Pain and Transgender
 - HIV, Hepatitis C, and adult and pediatric primary care for homeless and underserved populations
 - Oversee implementation of Shear Wave Elastography to determine liver fibrosis in Hepatitis B/C patients
 - Principal Investigator on HIV and HCV in Primary Care Training grants (below)
- b. **University of California, San Diego - Assistant Clinical Professor of Medicine (12/1/14 – Present)**
 - Supervise UCSD internal medicine residents and UCSD fourth year medical students on Underserved Medicine rotations
- c. **HIV Learning Network (Pacific AETC) - Faculty Discussant, Consultant (9/1/12 – Present)**
 - Provide strategic vision, deliver didactic lectures, and facilitate case discussions
 - Distance learning program serving clinicians in CA, HI, NV, AZ
- d. **Principal Investigator - HRSA-SPNS – HIV Practice Transformation (6/1/15 – Present)**
 - Clinical lead for HRSA-supported project aiming to train primary care providers in HIV medicine
 - Design and implement multi-modality curriculum in HIV competencies for four trainees per year
- e. **Principal Investigator – CA Dept of Public Health – HCV/Primary Care Training (4/1/16 – Present)**
 - State-supported project aiming to increase HCV treatment capacity
 - Precept learners in HCV clinic and facilitate weekly telehealth case discussion

- f. **NW AETC ECHO (Northwest AETC) HIV/HCV Distance Learning Specialist (9/1/12 – Present)**
 - Founding medical director and faculty consultant on Northwest AETC ECHO program, an HIV distance learning and clinical consultation service serving clinicians in WA, AK, MT, ID, OR.
 - Developed program, recruited faculty, designed curriculum, and recruited clinic site participants
- g. **HealthHIV/ HIV Workforce Initiative - HIV Faculty Mentor (9/1/12 – Present)**
 - Provide mentoring, individual instruction and case review for clinicians interested in HIV specialization through the HIV Workforce Initiative.
 - Participated in telehealth mentoring sessions with community clinic in Urban Houston, TX.
- h. **Project ECHO Global Initiative - Telehealth Consultant - (11/2015– Present)**
 - Provide mentoring, strategic planning, feedback to Namibian Ministry of Health throughout planning and implementation of first HIV-focused telehealth program on the African continent.
 - Plan and implement replication telehealth projects in Mozambique, Tanzania, Kenya
- i. **International Clinical Consultant – World Health Organization/US Center for Disease Control - (12/2016– Present)**
 - Provide curriculum design, in-person training, strategic planning, mentoring, and feedback to Myanmar Ministry of Health and Sports throughout planning and implementation of comprehensive HIV/HSV/HCV-focused national treatment programs.
 - Provide consultation, clinical guidance, and evaluation of Cascade of Care for HBV and HCV in Mongolia in consultation with World Health Organization regional office.

5. Faculty Positions Held:

- a. Faculty Member – Family Health Centers of San Diego – Family Medicine Residency Program (6/2013 – Present)
 - Urban, Underserved Teaching Health Centers GME Program
 - Director of HIV Primary Care Track
- b. Assistant Clinical Professor – University of California, San Diego (12/1/14 – Present)
 - Department of Medicine (Infectious Diseases)
- c. Assistant Professor – Clinician/Teacher Track – University of Washington (7/1/11 – 9/1/12) Departments of Medicine (Infectious Diseases) and Global Health
 - **Associate Medical Director** – Madison Satellite Clinic Programs
 - **Medical Director** – Project ECHO-NWAETC, HIV Telehealth Program
 - **Lead Clinical Advisor** – I-TECH Angola and Mozambique country projects
- b. Acting Assistant Professor – Clinician/Teacher Track – University of Washington (5/1/10 – 6/30/11)
 - Departments of Medicine (Infectious Diseases) and Global Health
- d. Acting Instructor – Clinician/Teacher Track – University of Washington (8/1/09 – 4/30/10)
 - Departments of Medicine (Infectious Diseases) and Global Health

6. Hospital/Practice Positions Held:

- a. Family Health Centers of San Diego (9/17/12 – present)
 1. Downtown Family Health Center
 2. Elm Street Family Health Center
 3. North Park Ciaccio Memorial Clinic
 4. Hillcrest Family Health Center
- b. Scripps Mercy Hospital (10/15/13 - present)
- c. Member, UW Physicians (8/1/09 – 9/1/12)
- d. Harborview Medical Center, Seattle, WA (8/1/09 – 9/1/12)
- e. University of Washington Medical Center, Seattle, WA (8/1/09 – 9/1/12)
- f. Fred Hutchison Cancer Research Institute, Seattle, WA (8/1/09 – 9/1/12)
- g. Night Hospitalist, Group Health Cooperative, Seattle, WA (9/1/07-8/1/09)

7. Honors:

- a. Honorable Mention – CalHEP Sherri Ziegler Award 6/13/16 for contributions to Hepatitis C care, training, and advocacy in California

- b. 2016 Star of Advocacy Award – awarded by the California Chronic Care Coalition for advocacy efforts to change state HCV treatment policy
- c. FHCS D Provider of Compassion Award (2015)
- d. Warren Featherstone Reid Award for Excellence in Healthcare (2010) – Awarded to the Madison Satellite Clinic program by the State of Washington (Mary Selecky, secretary, WA Department of Health)
- e. American Academy of Pediatrics Resident Travel Grant (2006)
- f. UCSD School of Medicine, Dean of Students' Award (2001)
- g. McGraw-Hill/Appleton Lange Medical Student Achievement Award (2000)
- h. UCSD Friends of the International Center Scholarship (2000)
- i. Kass Award (37th Meeting of the Infectious Diseases Society of America) (1999)
- j. UCLA Chancellor's Service Award (1997)

8. Board Certification:

- a. American Board of Pediatrics (#090169): issued 10/16/2007, expires 12/31/14
- b. American Board of Internal Medicine (#269619): issued 10/23/08, expires 12/31/18
- c. American Board of Medical Specialties/Infectious Diseases (#269619): issued 10/06/09, expires 12/31/19
- d. American Academy of HIV Medicine Specialist (118614): issued 1/1/2014; recertification 11/2016

9. Current License to Practice:

- a. Washington State Medical License: MD00047645, issued 2/14/2007, expires 1/12/2014
- b. California State Medical License: A119631, issued 1/6/12, expires 1/31/2018
- c. DEA Registration #FR0300412, issued 6/8/2007, renewed 3/4/13, 3/6/16, expires 4/30/19
- d. DEA Buprenorphine prescribing waiver (DATA 2000) Granted 5/14/16 #XR0300412

10. Professional Organizations:

- a. American Academy of Pediatrics (ID#980249)
- b. American College of Physicians (ID#01178206)
- c. Infectious Diseases Society of America (ID#023782)
 - Participant, Member Advocacy Committee
- d. HIV Medicine Association (ID#023782)
- e. American Association for the Study of Liver Disease (ID# 142334)
 - Member, Hepatitis C and Public Health Special Interest Groups
- f. International AIDS Society (ID#47217)
- g. American Academy of HIV Medicine (ID#118614)
 - Co-Chairman, California/Hawaii chapter
- h. International Society for Travel Medicine (ID#9009)

11. Teaching Responsibilities:

- a. **FHCS D Family Medicine Residency Program (7/2014 – Present)** – Developed curriculum, taught Infectious Diseases/HIV related topics and precepted during HIV and Community Medicine rotations.
- b. **Clinical Teaching of UCSD Internal Medicine Residents (1/2014 – Present)** – Faculty Preceptor for Residents during Underserved Medicine rotation, focusing on outpatient management of HCV infection.
- c. **Clinical Teaching of Scripps Mercy Internal Medicine Residents (7/2015 – Present)** – Faculty Preceptor for Residents during newly created HIV/HCV elective
- d. **Clinical Teaching of UW Residents and Medical Students (7/2007 – 9/2012)** – HMC Madison Clinic, HMC Madison Satellite Clinics. Clinical preceptor for **MED 505** and **MEDECK 612**.
- e. **Course Director MED 507 – HIV in Latinos (9/2010 – 9/2012)** Clinical preceptorship for medical students enrolled in the Hispanic Health Pathway to gain exposure to contemporary Spanish language HIV care of Seattle area Latino Immigrants.
- f. **Co-Director CONJ 550 – Clinical Infectious Diseases (1/2010 – 9/2012)** course organization, exam authoring, lecture facilitation, and delivering lectures; shared with Shireesha Dhanireddy and Paul Pottinger.
- g. **Site Co-Coordinator, Mozambique – CONJ 553 – (1/2010 – 2/2012)** Clinical Management of HIV – Participated in development of Portuguese language materials and adaptation of course materials to local Mozambican context, as well as expansion of course to a second rural site in Beira, Mozambique.
- h. **Course Director – Manejo Clinico do VIH (10/2011-12/2011)** Huambo, Angola – Authored 10 week HIV curriculum in Portuguese, and implemented by delivering lectures and training local facilitators.

- i. **Invited UW School of Medicine, School of Public Health, and Scripps Mercy house staff lectures:**
- Scripps Mercy Hospital noon conference – “Hepatitis B and C infection” (4/4/16)
 - Scripps Mercy Hospital noon conference – “HIV Pre-Exposure Prophylaxis” (10/27/15)
 - Chief of Medicine Conference – “Cryptococcal Meningitis” – Harborview Medical Center (7/5/11)
 - Chief of Medicine Conference – “Parvovirus Infections” – Harborview Medical Center (5/31/11)
 - Internal Medicine Core Clinical Series – “Fungal Infections” – Seattle VAMC (2/14/11), and Harborview Medical Center (2/28/11)
 - “Malaria/TB interactions with the HIV epidemic in Africa” – special session for MPH students in the Community-Oriented Public Health (COPHP) Track (9/30/10, 9/29/2011)
 - **HuBio 534** – Microbiology clinical case discussions “Gram-Negative Infections” (4/20/10)
 - **CONJ 553/573** – Clinical Management of HIV: “STD’s and HIV” (2/16/10), “Opportunistic Infections-resource limited settings” (1/15/11), “Opportunistic Infections” (1/10/11)
 - **CONJ 550** – Infectious Disease Medicine Elective: “Congenital & Neonatal Infections” (2/5/10, 1/14/11); “Viral Exanthems (2/12/10, 2/25/11, 1/20/12)
 - **CONJ 450** – Healthcare for the Underserved: “Immigrant and Refugee Care: an HIV Clinician’s perspective” (1/26/10)
 - **FAMMED 557** – Hispanic Health Disparities: “HIV and Latinos” (12/9/09, 12/9/10, 11/8/11)
- j. **Northwest and Pacific AIDS Education & Training Center (NWAETC/PAETC) Clinician Trainings**
- “CROI 2017 Update” HIV Learning Network (3/23/17)
 - “Sexually Transmitted Disease update 2017” McCall Winter CME Conference (2/26/17)
 - “Hepatitis C in Primary Care” McCall Winter CME Conference (2/26/17)
 - “HIV and Bone Health” HIV Learning Network (9/22/16)
 - “TAF formulations: across HIV and HBV” HIV Learning Network (8/11/16)
 - “Management of HBV Infection” HIV Learning Network (3/24/16)
 - “Resistance Development in HIV therapy” HIV Learning Network (11/22/15)
 - “HCV treatment Access issues” HIV Learning Network (9/24/15)
 - “Ordering and Interpreting Lab Tests in HIV Care” HIV Learning Network (7/23/15)
 - “Hepatitis C Treatment update” Montana Pharmacy Association Meeting – Great Falls, MT (1/10/15)
 - “Renal Disease in the HIV-infected patient” HIV Learning Network (10/9/14)
 - “HIV/HCV co-infection I Epidemiology and Testing” HIV Learning Network (7/24/14)
 - “HIV/HCV: Epidemiology, Screening, Natural History” HIV Learning Network (4/10/14)
 - “Hepatitis C in Primary Care” McCall Winter CME Course (2/21/14)
 - “STD Update” McCall Winter CME Course (2/22/14)
 - “Expert Management of the Newly Diagnosed Patient with CD4 < 100” HIV Learning Network (1/23/14)
 - “The New Era of Hepatitis C Testing and Treatment” Montana Pharmacy Association Meeting – Great Falls, MT (1/10/14)
 - “HIV in 2013” Pieces of the Puzzle Conference – Great Falls, MT (11/21/13-planned)
 - “Hepatitis C Update” Pieces of the Puzzle Conference – Great Falls, MT (11/22/13)
 - “Improving Presentation Skills” Asilomar Faculty Development Conference – Northwest AETC/Pacific AETC joint conference (10/23/13-Pacific Grove, CA)
 - “Skills to Create Interaction in Telehealth and Webinar Programs” Asilomar Faculty Development Conference – Northwest AETC/Pacific AETC joint conference (10/23/13-Pacific Grove, CA)
 - “Building Bridges with CHC’s” Asilomar Faculty Development Conference – Northwest AETC/Pacific AETC joint conference (10/23/13-Pacific Grove, CA)
 - “HIV-Associated Fungal Infections: small bother to big mortality” HIV Learning Network (8/8/13)
 - “Update in HIV” and “HCV: Welcome to the New Era” – Treasure Valley Primary Care Conference – Boise, ID (4/19/13)
 - “Opportunistic Infections: prophylaxis” HIV Learning Network (4/11/13)
 - “How to Cure HIV: from Berlin to Mississippi” HIV Learning Network (3/14/12)
 - “HIV/HCV Co-infection” HIV Learning Network (1/24/13)
 - “STD Screening & Treatment: Syphilis” HIV Learning Network (1/10/13)

- “HIV in 2012: What Everyone Needs to Know” “Hep C for CBO’s: integration of HCV in Outreach”, and “HCV for providers: Challenging Cases” – Billings, MT (12/12/12)
 - “Fine Tuning Anti-retroviral therapy” HIV Learning Network (10/25/12)
 - “Update in Sexually Transmitted Infections” and “Case Studies in HIV-associated Opportunistic Infections” Montana Family Practice Meeting – Red Lodge, MT (6/21/12)
 - “Update in HCV Therapies” Infected! Now What? Conference – Polson, MT (6/20/12)
 - “HIV/HCV Co-infection” – Skalam Tribal Center – Port Gamble, WA (6/12/12)
 - “Distance-based education: A trainer’s perspective” NW AETC Faculty Development Conference – Seattle, WA (5/23/12)
 - “Distance-based education: Current NWAETC Offerings” NW AETC Faculty Development Conference – Seattle, WA (5/23/12)
 - “Advanced HIV Case Discussions” – Portland, OR (5/15/12)
 - “Viral Hepatitis” Wenatchee Primary Care Conference – Wenatchee Washington (3/24/12)
 - “HIV/HCV Co-infection” and “LFT interpretation” Idaho Primary Care Conference – McCall, ID (2/25/12)
 - “Primary HIV infection” and “Current Management of Hepatitis C Infection” – Riverstone Health – Billings, MT (2/8/12)
 - “HIV Update” – Spokane, WA (12/1/11)
 - “HIV/HCV Co-Infection”, “STI Update”, “HIV Update” – Intertribal SPIPA-IHS provider training – Spokane, WA (11/17/11)
 - “HIV and Sexually transmitted Co-Infections” Montana State Public Health Conference – Billings, MT (9/14/11)
 - “HIV Update” – Grand Rounds – Riverstone Health – Billings, MT (9/9/11)
 - “Clinical Manifestations of HIV” – Grand Rounds: Harrison Hospital – Bremerton, WA (9/6/11)
 - “HIV & Hepatitis C” – NW WA HIV Mini-conference – Everett, WA (6/28/11)
 - “HIV for Primary Care” Family Medicine Conference – Big Sky, MT (6/23/11)
 - “PEP/PrEP” – Clinical Updated for Nurses – Seattle, WA (6/16/11)
 - “Mgmt of the Newly Diagnosed Patient” and “HIV & Hepatitis C Co-infection” – Infected! Now What? Conference – Great Falls, MT (5/26/11)
 - “Routine Testing for HIV” – CDC Update Conference – Pasco, WA (5/23/11)
 - “HIV & Immigration” – Seattle, WA – Faculty Development meeting (4/29/11)
 - “Primary Care of HIV” – Wenatchee, WA (4/15/11)
 - “HIV & Health Disparities in Latino Populations” – Moscow, ID (4/14/11)
 - “HIV PEP” “HIV/Hep C Co-infection” – Quinnault Tribal Clinic (3/31/11)
 - “Routine HIV Testing” “HAART Update” “HIV PEP” – Fort Hall, ID (1/6/11)
 - “HIV PEP and PrEP” – Spokane, WA (12/1/10)
 - “HIV-Hep C Webinar” – Webcast to tribal sites Nationwide (10/26/10, 11/23/10)
 - “HIV Epidemiology & Routine Testing in Primary Care” – Everett, WA (10/15/10)
 - “Expert Recap of CROI and IAC 2010” – Seattle, WA (9/7/10)
 - “Routine Testing for HIV in Primary Care Settings” – Everett, WA (8/24/10)
 - “Controversies in Primary HIV Infection” – Annual meeting of the Rocky Mountain Pus Club; Leavenworth, WA (8/14/10)
 - “2010 HIV Medical Update” – Yakima, WA (7/10/10)
 - “Overview of Viral Hepatitis” – Yakima, WA (7/10/10)
 - “Primary HIV” – Longview, WA (5/11/10)
 - “HIV and Hep C” – Ft. Peck, MT (3/22/09-3/23/10)
 - “HIV Update: New DHHS Recommendations” – Billings, MT (3/3/10)
 - “HIV and Hep C Co-Infection” – Billings, MT (3/3/10)
 - “HAART Update” – Spokane, WA (12/1/09)
 - “HIV and Hep C” – Moses Lake, WA (11/12/09)
- k. **Invited guest speaker – Community Events:**
- “HIV/HCV Co-infection: What have we learned?” American Liver Foundation ‘Ask the Experts Conference – San Diego, CA (6/10/17)
 - “HIV/HCV Co-infection” North Country Arizona Health Care ECHO conference (5/18/17)

- “HIV and Opioid Addiction” HIV/AIDS on the Front Line Conference – UC Irvine (5/3/17)
- “Sexually Transmitted Disease Update – 2017” McCall Winter CME
- “Introduction to HIV Pre-Exposure Prophylaxis” – Vista Community Clinic Quarterly Providers Symposium – 8/4/16
- “HIV Pre-Exposure Prophylaxis” – First annual San Diego Regional Family Medicine Symposium Cultural Competency Conference – 5/23/16
- “Introduction to HIV Medicine” O’Farrell Charter School invited guest lecture (5/11/16)
- “HIV and HCV: Old lessons for a new foe” Liver CME Meeting – St. Joseph’s Hospital and Medical Center – Phoenix, AZ 10/8/15
- “HCV Screening and Primary care” Virginia Mason Hospital – Chronic Hepatitis C: Burden of Disease, Management, and Cure – CME conference. Seattle, WA (3/6/15)
- “HepCareConnect: a comprehensive, community-based HCV testing and linkage to care program” – Presented at the American Liver Foundation’s 2014 Liver Wellness Symposium – San Diego, CA (9/20/14)
- “Transforming the Treatment Paradigm – a clinical review of Sofosbuvir” – presented at the Southern California GI Society’s ‘Post DDW Meeting’ – Dana Point, CA (6/28/14)
- Review of “HIV/Hepatitis Co-Infection” – presented at Clinical Care Options HIV and Hepatitis Regional Workshop – San Francisco, CA (5/31/14)
- “HIV and Diabetes” Mesa Redonda Entre Latinos – Christy’s Place – San Diego, CA (4/18/14)
- “Telehealth in the Global Context” I-TECH Global Programs Meeting – Seattle, WA (5/22/12)
- “I-TECH Clinical Seminar Series: clinician’s roundtable” (10/27/11)
- “The Millenium Development Goals: role of HIV infection” Family Medicine Global Health series – Swedish FM residency program (10/25/11)
- “Strength for the Journey retreat” (9/21/11)
- “HIV Diagnosis, Prevention, and Management Challenges in Immigrant Populations” – New Futures Conference – Seattle, WA (8/19/11)
- “The Cutting Edge of HIV” – I-TECH Lunch & Learn series (4/21/11)
- “AIDS in America/AIDS in Africa – What’s the difference?” Keynote address at BABES Harvest Dinner – Seattle, WA (11/12/10)
- “Basics of Travel Medicine for Global Trip Leaders” Lakeside High School (6/4/09, 6/10/10, 3/21/11, 2/27/12)
- World AIDS Day Event – Snohomish County Health District – Everett , WA (12/1/09)
- “HIV in Snohomish” – Community Health Center (CHC) 112th St Clinic – Everett, WA (9/3/09)
- “HIV in Snohomish” – CHC Broadway Clinic – Everett, WA (10/8/09)
- “HIV in Snohomish” – CHC Lynwood Clinic – Lynwood, WA (11/5/09)
- “Life Lessons from Travel and Medicine” – Tyee Middle School (2/2009)
- “CROI Update” – I-TECH, Maputo, Mozambique (3/26/2009)
- “AIDS: a physician’s perspective” – Westside Unitarian Universalist Congregation (7/27/2008)
- “Primary HIV” – Kilimanjaro Christian Medical Center, Moshi, Tanzania (5/2007)
- “Medicina Cubana” – San Diego State University – Post-Baccalaureate Program (5/2003)
- “Diabetes for Promotoras” – Clinica de Salud Esperanza – Tijuana, Baja Calif., Mexico (5/2003)

I. Other invited lectures:

- [“Should More Hepatologists become OST Prescribers?” – Invited Oral Presentation at the American Association for the Study of Liver Diseases Conference – October 20, 2017 – Washington, DC-Planned](#)
- Keynote address: “HIV/HBV and HIV/HCV Co-infection” – International Symposium – Naypyidaw, Myanmar – Symposium sponsored by CDC-Myanmar and the international Union to against TB and lung disease – (12/12/16-12/13/16)
- “HIV Is: from Science to Practice” Lecture and Dinner Symposium – Gilead Sciences Australia – Melbourne, Victoria, Australia (9/8/16)
- “HIV Is: from Science to Practice” Lecture and Dinner Symposium – Gilead Sciences Australia - Sydney, New South Wales, Australia (9/6/16)
- “HIV Is: from Science to Practice” Lecture and Dinner Symposium – Gilead Sciences Australia - Brisbane, Queensland, Australia (9/5/16)

- “Current Challenges in management of HIV/HCV co-infection: case presentation” National HCV Advisory Board Meeting, Gilead Sciences – New York NY (7/9/16)
- “Community HCV and linkage to care – View from the FQHC” Gilead Sciences, Medical Sciences, regional Advisory Board Meeting – San Diego, CA (DATE)
- “Linkage and retention in HCV Care – View from the FQHC” Gilead Sciences, Speaker’s Bureau training – San Francisco, CA (10/7/15)
- “HCV Testing, Linkage, and Treatment in the FQHC: using the ECHO model” First Annual Symposium on HCV treatment and training in California – Oakland, CA (6/2/16)
- “HCV Treatment Access: successes and challenges in California” IDSA Special Webinar Series (2/10/16)
- “HIV and the Timing of Anti-retroviral Therapy” Gilead Sciences, Speaker’s Bureau training – San Francisco, CA (6/20/13)
- “Hepatitis C Epidemiology and Testing” Genentech Provider Forum – San Diego, CA (6/12/13)
- “HIV Telehealth: overview of NW AETC ECHO” Joint Conference of the NW AETC and PAETC – Asilomar, CA – (10/1/12)
- “Introduction to HIV Telehealth” Oral presentation at the 10th Anniversary Federal Training Centers Collaboration (FTCC) meeting – Dallas, TX (4/25/12)
- “Pediatric HIV: 30 years into the epidemic” – University of Washington/Harborview Medical Center AIDS Clinical Conference (1/17/12)
- “VIH e os Objetivos de Milénio” – Jornadas Cientificas – Hospital Geral de Huambo – Huambo, Angola (10/14/11)
- “Immigration and HIV” – Madison Clinic special training (12/14/10)
- “HIV 101: HAART/Oppportunistic Infections” Hope Clinic – Nairobi, Kenya (11/16/10)
- “HIV 101: Epidemiology/Pathophysiology” Hope Clinic - Nairobi, Kenya (11/9/10)
- “Immigration and Global Health” – UW Global Health lecture series (10/27/10)
- “Oppportunistic Infections” – UW Infectious Disease Fellows Orientation (7/9/10)

12. Editorial Responsibilities:

- a. Current Therapeutics & Research – member, editorial board (6/1/09 – 9/1/12)
- b. Clinical Therapeutics – member, editorial board (6/1/09 – 9/1/12)
- c. PLoS – Neglected Tropical Diseases – manuscript reviewer (6/1/09 – 9/1/12)

13. Special National Responsibilities:

- a. Member, Speaker’s Bureau, Clinical Care Options (HIV)
- b. HIV Clinical Content Expert: International Training Center for HIV (I-TECH) Mozambique, Tanzania, and Angola Country Projects (7/2010 – 9/2012)
- c. Contributor and Member: IDSA Journal Club (9/2011 – 9/2013)

14. Special Local/Regional Responsibilities:

- a. Member, California Planning Group – CA Department of Public Health - Office of AIDS
- b. Member, Executive Advisory Committee – SDSU - Building Capacity and Infrastructure for Population and health Disparities Research (National Institute of Minority Health and Health Disparities-funded Grant)
- c. Co-Chairman – CA/HI Chapter of the American Academy of HIV Medicine (members = 270)
- d. Member, Steering Committee – California Hepatitis Alliance (CalHEP)
- e. Member, Medical Advisory Committee – American Liver Foundation, Southern CA chapter
- f. Member, Center for AIDS Research (CFAR) Disparities Core Community Advisory Board
- g. Medical Advisor: Center for Multicultural Health – HIV testing program
- h. Member, Advisory Board: BABES Network (Support group for HIV+ women)
- i. Member, HIV-TB Working Group, HQ Clinical Team, Clinical Mentoring Working Group, I-TECH Seattle

15. Research Funding (current and prior):

- a. R34MH114699 (Blashill & Wells) 7/1/2017-6/30/2020
Developing a Patient Navigation Intervention for PrEP Continuum of Care among Young Latino MSM
 \$450,000/direct
- b. Supported by HRSA Substance Abuse treatment expansion grant (MAT program)

- c. Supported by NCI U54 Collaborative grant (SDSU/UCSD) Award # U54CA132379
- d. Supported by CHRP HIV Disparities Grant
- e. Supported by CHRP Transgender PrEP grant
- f. CDPH – HCV training grant Award #15-10749
- g. Supported by HRSA – Special Projects of National Significance – HIV Workforce Development project: CDC/HRSA grant number: 0677-019-101
- h. Site Principal Investigator – HCVNET Arizona telehealth project – CDC Grant Award Number 3U51PS003880-01W1
- i. Sub-contract Lead Investigator – HepCareConnect – CDC Grant Award number: U51PS003924-01
- j. Supported via HRSA Telehealth grant, David Spach, principal investigator
- k. Supported via Ryan White clinic funds awarded to Ciaccio Memorial Clinic, the University of Washington Madison Clinic, Snohomish/Kitsap Counties
- l. Supported via IAETC HRSA grant, King Holmes, principal investigator
- m. Supported via Ryan White part F (AETC) grant, David Spach, principal investigator
