EDUCATION

Completion Date: 2007	Institution: Harvard University School of Public Health, Department of Society, Human Development and Health
Degree: Doctor of Science (Sc.D.)	Major Field: Social Epidemiology
Completion Date: 1999	Institution: Boston University School of Public Health, Department for Social and Behavioral Sciences
Degree: Master's in Public Health (M.P.H.)	Major Field: Social and Behavioral Sciences
Completion Date: 1997	Institution: Lafayette College Department of Biology
Degree: Bachelor's in Science (B.S.)	Major Field: Biology

TEACHING POSITIONS AND RESEARCH APPOINTMENTS

2016 – present San Diego State University (SDSU) School of Public Health, Division of Health Promotion and Behavioral Science	Associate Professor of Global Health Co-Director, SDSU-UCSD Joint Doctoral Program in Global Health
2016- 2019 University of California, San Diego (UCSD) School of Medicine, Division of Infectious Disease & Global Public Health	Associate Professor
2016-present SDSU Center for Research on Sexuality and Sexual Health	Affiliated Faculty Member
2016-2020 SDSU Institute for Behavioral and Community Health	Affiliated Faculty Member
2016-present SDSU Center for Latin American Studies (2016-present)	Affiliated Faculty Member
2013-present UCSD Center on Gender Equity and Health	Affiliated Faculty Member

2013- 2016 University of California, San Diego (UCSD) School of Medicine, Division of Infectious Disease & Global Public Health	Assistant Professor
2009-2013 George Washington University School of Public Health Department of Prevention & Community Health	Assistant Professor
2008-2009 Duke University, Global Health Institute	Post-Doctoral Associate
2007 – 2009 Harvard University School of Public Health Department of Society, Human Development and Health	Research Fellow
2007- 2008 Yale University School of Public Health Center for Interdisciplinary Research on AIDS	Post-Doctoral Fellow

PROFESSIONAL GROWTH

Refereed Journal Articles

Scholarly Awards

1. ZIP Launchpad Trainee, supports social enterprise development, San Diego State University. February 2021.
2. Grants Research and Enterprise Writing Fellowship. San Diego State University. September 2017.
3. *Tribute to Women & Industry* (TWIN) Award and selected as 2016 TWIN Humanitarian: TWIN awards recognize women in a managerial, executive or leadership role in San Diego for their outstanding achievements, March 2016.
4. Finalist, Centers for Disease Control Linda E. Saltzman New Investigator Award for Domestic Violence Research, Futures Without Violence, March 2015.
5. Early Career Reviewer (ECR) Program Fellow, Center for Scientific Review, National Institutes of Health, 2014 – present
6. Fordham University HIV Prevention Research Ethics Training Institute Fellow, 2011 – 2013
7. NIH Pediatrics Loan Repayment Fellowship Recipient, 2008- present; for ongoing research related to violence prevention among young populations

8. David Rockefeller Center for Latin American Studies Fellowship:
 - a. supported for work in Lima, Peru related to issues of violence, migration, and sex work; 2007
 - b. received funding for research on gender-based violence among women in prison in Recife, Brazil; 2005
9. Center for Applied Social Enterprise. Harvard University. Fellowship recipient for case study on Miluska Vida y Dignidad, an organization in Lima, Peru advocating for sex workers; 2007
10. Center for Disease Control, Society for Public Health Education Fellow in Injury and Violence Prevention; 2006
11. Brinkmann Fellowship award for research related to gender-based violence among women at a women's prison in Recife, Brazil; September 2006
12. Harvard Injury Control Research Center fellowship award for research related to violence prevention, November 2006 & November 2007
13. Society for Public Health Education/Center for Disease Control Fellow in Injury and Violence Prevention; 2006
14. Maternal and Child Health Bureau, Epidemiology Training Fellowship recipient, US Department of Health and Human Services; September 2003 – May 2004
15. New York City Department of Public Health Research Training Program Award Recipient: Training on the Epidemiology of HIV/AIDS in NYC, August 1998
16. Aaron O'Hoff Class of 1997 Community Service Award, Lafayette College, May 1997
17. Eileen Blain Rudolph Academic Scholar, Lafayette College, September 1996
18. Phi Beta Kappa, Lafayette College, September, 1996

Funded Research Grants

ONGOING RESEARCH

An Intervention to Reduce Risk Factors for Adolescent Pregnancy

Principal Investigator: Elizabeth Reed

Grant number: R21 HD097496

Period: 09/01/2018- 08/31/2022

Agency: NIH/NICHD (R21 NICHD success rate 2018: 13.9%)

Major Goals: This study assess the preliminary effects of *Girls Invest*, an innovative savings intervention that aims to reduce economic, social, and health behavior risks associated with disproportionately high rates of pregnancy among US Latina adolescents. *Girls Invest* participants receive a savings account (via our collaborating bank) with \$100 deposited in increments based on completion of each module of a gender and life skills training via a mobile "app."

A Mobile-Enabled Economic Empowerment Intervention for Girls to Reduce Risk for Partner Violence

Principal Investigator: Elizabeth Reed

Period: 11/01/2020-10/31/2022

Agency: Wellspring Foundation (success rate: n/a)

Major Goals: This study involves conducting a randomized controlled trial to pilot and test *Girls Invest*, a mobile-enabled savings intervention to decrease risk for intimate partner violence among adolescent girls In Ibadan, Nigeria.

Girls Invest: A Mobile-Enabled Economic Empowerment Program for Girls

Principal Investigator: Elizabeth Reed

Grant number: n/a

Period: 05/01/2019- 04/31/2021

Agency: Women's Empowerment International (success rate: n/a)

Major Goals: This involves complementary funding for the NIH-supported *Girls Invest*, an innovative savings intervention that aims to reduce economic, social, and health behavior risks associated with disproportionately high rates of pregnancy among US Latina adolescents. *Girls Invest* participants receive a savings account (via our collaborating bank) with \$100 deposited in increments based on completion of each module of a gender and life skills training via a mobile "app."

Development and Pilot Testing of a Combination Intervention to Reduce Heavy Drinking and Improve HIV Care Engagement among Fisherfolk in Uganda

Principal Investigator: Susan Kiene, PhD

Grant number: 1R34AA025891

Period: 09/20/18-08/31/21

Agency: NIAAA (R34 NIAAA success rate 2018: 39.6%)

Major Goals: To pilot an intervention focused on mobile money and brief counseling to improve HIV care engagement among fisherfolk in Uganda.

Role: Co-Investigator

RECENT COMPLETED RESEARCH

A Mobile-Enabled Economic Empowerment Intervention for Girls to Reduce Risk for Partner Violence

Principal Investigator: Elizabeth Reed

Period: 11/01/2018-10/31/2019

Agency: Wellspring Foundation (success rate: n/a)

Major Goals: This study involves conducting the formative work to develop *Girls Invest*, a mobile-enabled savings intervention to decrease risk for intimate partner violence among adolescent girls in Ibadan, Nigeria.

"ESTIMA: Economic and Social Empowerment To Increase Upwards Mobility among Women"

Principal Investigator: Dr. Elizabeth Reed, ScD, MPH

Grant number: 1K01MH099969

Period: 08/19/14-11/1/18

Agency: NIMH (NIMH K01 2018 success rate: 27.8%)

Major Goals: The major goal of this grant is to develop and pilot a program combining microfinance and community mobilization to address economic vulnerability and relation to violence and HIV risk among female sex workers in Tijuana, Mexico.

Role: Principal Investigator

"Jardines Verdes: Evaluating an Economic Intervention to Improve Food Security"

Principal Investigator: Dr. Elizabeth Reed, ScD, MPH

Period: 4/1/16 – 3/31/17

Agency: UC San Diego Health Sciences Clinical and Translational Research Institute, Community Engagement Unit (success rate: n/a)

Major Goals: To create and implement a financial management/savings program to improve food security among Latino families in City Heights. We will determine feasibility, receptivity, and appropriateness of a tablet-based financial management and savings training intervention.

Role: Principal Investigator

"Economic Vulnerability, Violence, and HIV Risk among Sex Workers in Tijuana, Mexico"

Principal Investigator: Dr. Elizabeth Reed, ScD, MPH

Grant number: 1 R03 DA035699

Period: 9/15/2014 – 08/31/2017

Agency: NIDA (NIDA R03 success rate 2018:16.0%)

Major Goals: The goal of this project is to examine how economic vulnerability increases violence and sexual and drug related HIV risk behaviors among female sex workers in Tijuana, Mexico.

Role: Principal Investigator

“STI Risk among Adolescent Females: Activity Spaces and Spatial Mobility”

Principal Investigator: Dr. Elizabeth Reed, ScD, MPH

Grant number: R21 HD073610

Period: 10/2013 – 6/2017

Agency: NICHD (R21 NICHD success rate 2018: 13.9%)

Major Goals: This NIH R21 aims to assess the role of activity spaces (i.e. locations of social and sexual interaction) and spatial mobility (i.e. movement across geographic locations) on risk for violence, unintended pregnancy, and sexually transmitted infections (STI) among adolescent girls residing in the US-Mexico border region.

Role: Principal Investigator

“Economic debt, Violence, and HIV Risk among Sex Workers in Tijuana, Mexico”

Principal Investigator: Dr. Elizabeth Reed, ScD, MPH

Grant number: P30 AI036214

Period: 6/01/2013 – 01/31/2015

Agency: Center for AIDS Research, University of California, San Diego (success rate: n/a)

Major Goals: The goal of this project is to examine the sources of economic vulnerability that impact HIV risk, including exposure to violence, among female sex workers in Tijuana, Mexico.

Role: Principal Investigator

“Evaluation of an Abortion Provider Follow-up Program in Kenya and South Africa, MAX-Maximizing Healthcare Provider Performance”

Principal Investigator: Dr. Elizabeth Reed, ScD, MPH

Period: 1/01/2014 – 12/31/2016

Agency: Woman Care Global (success rate: n/a)

Major Goals: The major goal of this project is to focus on efforts to support Woman Care Global in evaluation of their abortion provider follow-up program, MAX, conducted in Kenya and South Africa with approximately 300 providers.

Role: Co-Principal Investigator

“Gender Equity-Focused, Male-Centered Family Planning for Rural India”

Principal Investigator: Dr. Anita Raj, PhD

Grant number : 5 R01HD061115 - 05 & supplement

Period: 08/30/09 – 7/31/13

Agency: National Institutes of Child Health and Development

Major Goals: The major goal of this grant is to develop and evaluate via a randomized controlled trial the effectiveness of a male-focused family planning program for young couples in rural Maharashtra, India.

Role: Co-investigator

"Structural Interventions for HIV Prevention Among Sex Workers and their Clients in India."

Principal Investigator: Dr. Kim Blankenship, PhD

Grant number: 30183

Period: 05/01/04 – 02/01/14

Agency: Bill & Melinda Gates Foundation

Major Goals: The project's goal is to reduce HIV risk among high-risk populations through the analysis of structural interventions that focus on altering the context within which individuals engage in health behaviors or make health-related decisions.

Role: Co-Investigator

“Perceptions of HIV Research Participation among Women Working as Sex Workers in Andhra Pradesh, India”

Principal Investigator: Dr. Elizabeth Reed, ScD, MPH

Grant number: n/a

Period: 09/11-09/13

Agency: Fordham University, Research Ethics Training Institute

Major goals: This project aims to explore qualitatively the experiences of female sex workers (FSW) in Rajahmundry, Andhra Pradesh (India) regarding their participation in HIV prevention research, with a primary focus on research ethics.
Role: Principal Investigator

“Integrating Prenatal Care to Reduce HIV”

Principal Investigator: Jeannette Iekovics

Grant number: R01-MH074399

Period: 08/18/06 - 07/31/11

Agency: National Institute of Mental Health

Major goals: The project posits that health promotion messages targeting multiple behaviors (e.g., nutrition, safe sex, breastfeeding) and outcomes (e.g., HIV and STI risk reduction, better birth outcomes, decreased depression) can be delivered in a single context in a cost-effective and sustainable way. Bundled with HIV prevention aspects, the project provides complete prenatal care assessment, education/skills building, and support, delivered via 10 structured sessions (120 minutes each) conducted from 16 through 40 weeks gestation.

Role: data analysis and manuscript development

“Psychosexual Risk for HIV in African-American Men”

Principal Investigator: Dr. Anita Raj, PhD

Grant number: U65/CCU123364-02

Period: 09/30/03 – 09/29/07

Agency: CDC

Major Goals: The goals of this project include identifying high risk sexual behaviors among sexually active Black men seeking health care in community health centers and to evaluate predictors of high-risk behavior in this population.

Role: data analysis and manuscript development

“Alcohol and Violence among College Populations of Youth”

Principal Investigator: Dr. Hortensia Amaro, PhD

Health Services Administration Grant # TI 17311.

Period: 2006-2010

Agency: National Institute on Alcohol Abuse and Alcoholism Grant #1U18AA015671; Substance Abuse and Mental

Major Goals: To understand the social and environmental context contributing to alcohol drinking among a college population, as well as the link between alcohol and violence victimization and perpetration.

Role: data analysis and manuscript development

“Adolescent Dating Violence, Sexual Risk and Pregnancy”

Principal Investigator: Dr. Jay G. Silverman, PhD

Period: 10/1/03-9/30/06

Agency: Division of Reproductive Health, CDC (S3062-23/23), WT Grant Foundation

Major goals: The purpose of this study is to investigate both quantitatively and qualitatively the relations among adolescent dating violence, sexual health risk, and adolescent pregnancy among adolescent perpetrators and victims of dating violence.

Role: data collection, management, and analysis; manuscript development

TEACHING EFFECTIVENESS

Teaching History

Year	Course Title and University
2021	Introduction to Global Health, San Diego State University
2021	MPH Thesis Seminar, San Diego State University

2018	Professional Development Seminar, San Diego State University
2017 – 2019	Gender, Poverty & Women’s Health, San Diego State University
2017 – present	Grant Writing, San Diego State University
2014 – 2016	Scientific Writing, University of California, San Diego
2011 – 2013	Practical Data Analysis, George Washington University
2011 - 2013	Gender and Women’s Health, George Washington University
2010 – 2013	Social and Behavior Approaches to Public Health, George Washington University
2004	Methods for Research on Social and Behavioral Dimensions of Public Health, Seminar Instructor; Harvard University School of Public Health
1999, 2000	Public Health and Women, Teaching Assistant; Boston University School of Public Health
1997	Electron Microscopy, Laboratory Instructor; Lafayette College

Mentorship

Master’s Students: Thesis Advisees at George Washington University

Name	Topic	Advisory Role
Erin Parrish (graduated May 2013)	Correlates of Female Condom Use among national Sample of Women in the US	Chair
Yvonne Kodl (graduated August, 2012)	Women’s Social and Economic Empowerment in Nigeria & Relation to Childhood Vaccination	Chair
Stacie Gobin (graduated August, 2012)	Cost-effectiveness of a Malaria Treatment Program in Tanzania	Chair
Brittney Sims (graduated December, 2012)	Saving Ourselves Sisters’ HIV Risk Reduction: Program Evaluation	Chair

Master’s Students: Thesis Advisees at San Diego State University

Name	Topic	Advisory Role
Dominique White, MPH (graduated May 2021)	Needs Assessment for the Implementation of a Mother-Daughter Physical Activity Program <i>Description:</i> This student assessed the acceptability of a mother-daughter physical activity program among school officials and teachers.	Chair
Emily Kahn, MPH (graduated May 2021)	Factors associated with Perpetration of Partner Violence among Adolescent Females <i>Description:</i> This student conducted secondary data analysis using data collected among a clinic sample of adolescent girls in National City, CA.	Preceptor, Co-Chair

<p>Camarina Augusto, MPH (graduated May 2021)</p>	<p>Economic Vulnerability and Intimate Partner Violence among Adolescent Girls in Nigeria: A Qualitative Assessment to Inform Intervention Efforts</p> <p><i>Description:</i> This student conducted formative qualitative assessments to inform the development of an economic empowerment intervention to reduce intimate partner violence among girls in Ibadan, Nigeria.</p>	<p>Preceptor, Co-Chair</p>
<p>Cassandra Muniz, MPH (graduated May 2021)</p>	<p>Evaluation of the Meals on Wheels San Diego County Program</p> <p><i>Description:</i> This student collected quantitative survey data from participants of Meals on Wheels to determine satisfaction, acceptability, and self-reported benefits of the program.</p>	<p>Chair</p>
<p>Jenna Bastea, MPH (graduated December 2020)</p>	<p>Successful HPV vaccine series completion in teen males through the well-child exam</p> <p><i>Description:</i> The student used a national dataset to analyze factors associated with completion of the HPV vaccine series among teen males.</p>	<p>Chair</p>
<p>Grace Calhoun, MPH (graduated December 2020)</p>	<p>A formative evaluation of SDSU's online Basic Needs and Wellness Toolkit</p> <p><i>Description:</i> This student conducted focus groups to evaluate and inform refinement of the wellness program offered by SDSU to students.</p>	<p>Chair</p>
