

BRITTNIE E. BLOOM, PHD, MS

San Diego, CA | 619.549.0303 | brittniebloom@gmail.com

CURRENT POSITIONS

- 2019 - Present **Blue Shield of California, Promise Health Plan**
Program Manager, Medi-Cal Plan and Provider Incentive Programs
- 2020 - Present **Side of Change Consulting**
Co-Founder and Lead Evaluator
- 2020 - Present **San Diego State University, College of Health and Human Services**
Adjunct Faculty, School of Public Health
- 2022 - Present **HOPE Lab, Boston University School of Social Work**
Post-Doctoral Associate Researcher

EDUCATION

- 2021 **Ph.D., Public Health – Global Health**
Joint Doctoral Program: University of California, San Diego and San Diego State University
Predoctoral Fellow: Center on Gender Equity and Health
Advisor: Elizabeth Reed, Sc.D.
- 2014 **M.S., Public Health – Community Health Sciences | Specialization in Health Education and Health Promotion**
University of California, Los Angeles
Advisor: Chandra Ford, Ph.D.
- 2011 **B.A., Psychology and English | Minor in Counseling and Social Change**
(Summa Cum Laude)
San Diego State University
Thesis Advisor: Paul Gilbert, Ph.D.

RESEARCH EXPERIENCE & POSITIONS

HOPE Lab

Boston University: School of Social Work

- 2022 – Present **Post-Doctoral Associate Researcher** *Principal Investigator: Jennifer M. Gómez, Ph.D.*
Lead analyses and manuscript writing for the HOPE Lab, centered on Cultural Betrayal Trauma Theory (CBTT) and understanding the impact of violence in the context of inequality. Work focused on analyzing data from the SUID HEAL data collection on suicidality disclosure and healing among Black and Desi young adults. Non-contracted position.

Department of Community Health Sciences

University of California, Los Angeles, Fielding School of Public Health

- 2018 – 2020 **Student Principal Investigator (S-PI)** *Advisor: Jennifer A. Wagman, Ph.D.*

Created and led research activities for “Let’s Talk About Sex [Education]”, a multi-campus mixed-methods study, funded by the California Department of Public Health. Study assessed how pre-college (non)-exposure to various forms of sex education, both formally and informally, may impact experiences of sexual violence and coercion pre-college and during college. Led in IRB preparation and submission, study recruitment, organization, creation of in-depth interview and focus group discussion guides, interview and focus group facilitation, training and management of undergraduate researchers, transcription, data analysis, report and manuscript writing.

College of Health and Human Services

San Diego State University, School of Public Health

2018 – 2019 **Principal Investigator** *Advisor: Susan Kiene, Ph.D.*
Created and led mixed-methods research activities for a multi-site collaborative project between San Diego State University’s School of Public Health, Makerere University (Kampala, Uganda) School of Public Health and the District Health Office in Tororo, Uganda, to investigate the experiences of intimate partner violence among women and men living with HIV in their district, assess their help-seeking behaviors and experiences with health care providers in a Level IV hospital. Led in IRB preparation and submission, study recruitment, organization, creation of survey and in-depth interviews, training and management of research assistants, transcription, data analysis, report and manuscript writing.

Department of Infectious Diseases and Global Public Health

UC San Diego Health, School of Medicine

2017 – 2019 **Pre-doctoral Fellow** *Advisor: Jennifer A. Wagman, Ph.D.*
Conducted research activities for UC Speaks Up, a multi-campus mixed-methods study, funded by the California Department of Public Health. Study assessed the factors related to sexual violence and sexual harassment (SVSH), SVSH prevention and education efforts, and solutions for university campuses among undergraduate and graduate students, faculty and staff. Aided in study recruitment, organization, in-depth interview and focus group discussion facilitation, transcription, data analysis, report and manuscript writing.

2017 – 2018 **Graduate Student Researcher** *Advisor: Dan Werb, Ph.D.*
Graduate student researcher and contributor to the Preventing Injecting by Modifying Existing Responses (PRIMER) research group: a multi-site international study testing the potential impact of existing structural interventions on reducing risk for those who inject drugs and who they provide initiation assistance to. Aided in data analysis and manuscript development.

Measurement and Evaluation Research Group

San Diego State University, School of Public Health

2014 – 2016 **Research Assistant** *Advisor: Georg Matt, Ph.D.*
Research assistant and contributor to the Third Hand Smoke Project, evaluating third-hand smoke exposure and nicotine residue in casinos, households and vehicles and its impact on the health of those utilizing the associated spaces. Responsible for program recruitment and retention; data collection, entry and management; designed, coded and maintained database and codebook for future analysis.

St. John’s Well Child and Family Centers & Blue Shield of California Research Foundation

University of California, Los Angeles, Fielding School of Public Health, Community Health Sciences

2012 – 2014

Graduate Research Assistant

Advisor: Paula Tarrow, Ph.D.

Lead graduate research assistant and contributor to this multi-site collaborative project focused on the identification, treatment and referral of survivors of domestic violence and human trafficking, specifically immigrant women with low English language abilities. Assisted with creation of screening tools and improved referral networks, program materials, student recruitment, community outreach, web-design, codebook creation and data collection, entry, management, cleaning and analysis.

Alcohol and Other Drugs (AOD) Initiatives Research

San Diego State University, School of Public Health

2011 – 2012

Research Assistant

Advisor: Loraine Devos-Comby, Ph.D.

Research assistant and contributor to the Pacific Beach Alcohol Study, evaluating alcohol-related behaviors among bar and restaurant goers to determine the effectiveness of disclosing alcohol contents on menus and evaluation of pre/post-drinking with breath alcohol concentrations. Responsible for project recruitment, screening and data collection.

Center for Healthy Aging and Neurodegenerative Disease Research Group

San Diego State University, Department of Psychology

2009 – 2011

Research Assistant

Advisor: Paul Gilbert, Ph.D.

Research assistant and contributor to the Center for Healthy Aging, examining event-based and time-based prospective memory and cognitive deficits in patients with Parkinson's Disease and Parkinson's Disease with Dementia and healthy-aging adults. Responsible for administering a neuropsychological battery using standardized measures, managed longitudinal data, coded and analyzed data, including scoring tests. Trained and supervised junior research assistants.

Undergraduate Research

San Diego State University, Department of Psychology

2011

Honors Research

Advisor: Paul Gilbert, Ph.D.

Competitive program focused on self-directed research consisting of a literature review, collecting and analyzing data, interpreting the results, drafting a thesis and presenting findings.

San Diego State University, Department of Chicano/a Studies

2009 - 2010

McNair Scholars Program

Advisor: Adelaida Del Castillo, Ph.D.

Competitive program focused on self-directed research consisting of a literature review, collecting and analyzing data, interpreting the results, drafting a paper and presenting findings.

RELEVANT EMPLOYMENT EXPERIENCE

Blue Shield of California Promise Health Plan

Division of Quality Improvement | *Supervisor: Vanessa Ogbu, MPH*

2019 - Present

Program Manager, Consultant – Medi-Cal Plan and Provider Incentives

Full time management position focused on developing and managing the day-to-day operations of complex, multi-stakeholder quality incentive programs for Blue Shield Promise Health Plan's Medi-Cal populations. This includes end-to-end program implementation and the execution of program requirements, financial systems, quality outcomes measurement, and

contract launch in partnership with provider organizations, vendors and internal health plan teams. Responsible for aligning programs and initiatives to the Quality department's business strategy with a budget of approximately \$18M.

National Institutes of Health – Initiative for Maximizing Student Development (IMSD) Program

San Diego State University, Colleges of Sciences | *Supervisor: William Tong, Ph.D.*

2015 – 2019

Program Manager

Goal of the NIH- funded IMSD Program is to diversify academia and research by supporting underrepresented students to pursue doctoral level study. Responsibilities included:

- Management of \$4.5M grant
- Supervision of 25-30 undergraduate students annually; alumni communications
- On-campus and community (e.g., high school, community college) outreach & collaboration
- Student mentorship
- Prepared, reviewed and submitted NIH progress reports, evaluations and renewal documents
- Program and event planning and evaluation

National Institutes of Health – Maximizing Access to Research Careers (MARC) Program

San Diego State University, Colleges of Sciences | *Supervisor: Cathie Atkins, Ph.D.*

2017

Lead Grant Writer

Goal of the NIH- funded MARC Program is to diversify academia and research by supporting underrepresented students to pursue doctoral level study and careers in research.

Responsibilities included:

- Prepared, reviewed and submitted NIH grant renewal documents
- Read and interpreted data tables, program evaluation and outcome data

Center for Community Solutions

Sexual Assault Response Team (SART) | *Supervisor: Maria Occult*

2014-2017

Advocate | SART First Responder

The Center for Community Solutions is San Diego's only sexual assault and rape crisis center and response team. Responsibilities included:

- Provided on-call first response services when a sexual assault occurred in San Diego County
- Survivor advocacy and support during sexual assault forensic exam and interactions with the San Diego Police Department
- Provision of information for community services regarding legal, counseling & safe housing

California State University (CSU) Health Insurance Education Project (HIEP)

CSU Los Angeles and San Diego State University | *Supervisor: Vanessa Ogbu, MPH*

2014-2015

Campus Coordinator

Goal of the CSU HIEP Program was to orient students in the CSU system to their insurance options under the Affordable Care Act and health reform law. Responsibilities included:

- Coordinated outreach activities to faculty, staff and students
- Organization of campus efforts and event-planning
- Collaboration and relationship building with CSU-, SDSU- and community-based organizations

Department of Education | Ronald E. McNair Scholars Program

San Diego State University, Colleges of Sciences | *Supervisor: Veronica Bejar*

2011 – 2012

Program Assistant

Goal of the Department of Education funded McNair Scholars Program is to advise first-generation, low-income and otherwise underrepresented students to obtain graduate education. Responsibilities included:

- Management of \$3M grant
- Supervision of 30-40 undergraduate students annually; alumni communications
- Academic advising
- Student mentorship and faculty-student research matching assistance
- Student outreach and retention

TEACHING EXPERIENCE

Instructor of Record

San Diego State University, School of Public Health

2022 - Present **Course: Public Health 300: Professionalism and Public Health**

Instructor of Record for PH300. Course explores the functions of public health, career pathways and strategies for achieving professional development goals. Undergraduate course.

2021 - Present **Course: Public Health 490C: Program Evaluation**

Instructor of Record for PH490C. Course provides students with an overview of public health programming models, including community needs assessment, goals, objectives and strategies for effective public health interventions. Undergraduate course.

San Diego State University, Global Campus

2022 - Present **Course: Public Health 490C: Program Evaluation**

Instructor of Record for PH490C. Course provides students with an overview of public health programming models, including community needs assessment, goals, objectives and strategies for effective public health interventions. Undergraduate course.

University of Southern California, Department of Population and Public Health Sciences

2022 - 2023 **Course: Public Health 565: Introduction to Global Health**

Served as Instructor and Co-Instructor for PH 565. Course provides an interactive, interdisciplinary introduction to global health, with a focus on developing countries. Graduate-level course.

Grossmont and Cuyamaca Community College, Department of Health Education

2015 - 2016 **Course: Health Education 202: Health Professions and Organizations**

Instructor of Record for HED 202. Review health organizations and public health agencies that operate locally, regionally, nationally and internationally. Provided information regarding potential careers in medicine, allied health and public health. Course served community college and high school students.

Co-Instructor of Record

University of Southern California, Department of Population and Public Health Sciences

Fall 2022 **Course: Public Health 506: Global Health in Practice**

Co-Instructor of Record for PH 506. Course introduces students to the major ethical challenges in conducting global health practice and research. USC students are partnered with students from campuses around the globe (Mexico, Singapore, Thailand). Together, they explore ethical principles in the distribution of health resources, the conduct of global health research and the implementation of public health initiatives. Graduate-level course.

San Diego State University, School of Public Health

Spring 2020 **Course: Public Health 292: History of Public Health**

Co-Instructor for PH 292. Using a chronological approach to understand the history of public health and the global expansion of disease. Exploring social, economic, political and scientific events that have impacted public health today. Undergraduate course.

Graduate Teaching Assistant

San Diego State University, Graduate School of Public Health

Fall 2020 **Course: Public Health 292: History of Public Health**

Instructor: Kendra Brandstein, Ph.D.

Summer 2018 **Course: Public Health 362: International Health**

Instructor: Marissa Salazar, Ph.D.

Summer 2018 **Course: Public Health 353: Human Sexuality**

Instructor: Hope Ettore, MPH

University of California, Los Angeles, Samueli School of Engineering and Department of English

2013 - 2014 **Course: Engineering 183W: Ethics in Engineering Writing Course**

Instructor: Don Browne, Ph.D.

Guest Lecturer Invitations

San Diego State University, Graduate School of Public Health

Spring 2022 **Course: Public Health 101: Intro to Public Health**

Lecture Title: An Introduction to Global Health – Public Health Around the World

Instructor: Jennifer Thundstrom, Ph.D.

Spring 2021 **Course: Public Health 362: International Health**

Lecture Title: Gender Based Violence in the US and Abroad

Instructor: Nico Lopez-Galvez, Ph.D.

Fall 2021 **Course: Public Health 292: History of Public Health**

Lecture Title: Public Health Responses and Challenges: Natural Disasters and Epidemics

Instructor: Kendra Brandstein, Ph.D.

2020, 2021 **Course: Public Health 292: History of Public Health**

Lecture Title: From Vaccinations to Emergency Preparedness – An Overview of Public Health Achievements in the 20th and 21st Centuries

Instructor: Kendra Brandstein, Ph.D.

Fall 2020 **Course: Public Health 292: History of Public Health**

Lecture Title: Chronic Disease Management in the US and Abroad

Instructor: Kendra Brandstein, Ph.D.

2018, 2019 **Course: Public Health 362: International Health**

Lecture Title: Gun and Gun Violence Surveillance in the United States and Abroad

Instructor: Marissa Salazar, Ph.D.

San Diego State University, College of Sciences

Spring & Fall 2020

Course: Biology 246: Careers in Science

Lecture Title: Prioritizing Wellness while Prioritizing Your Goals

Instructor: Cathie Atkins, Ph.D.

Cuyamaca Community College

Spring 2021

Invited Speaker: Campus-Wide Culture and Community Circle

Lecture Title: Not just a Hetero Problem: Sexual Violence and Sexual Harassment among LGBTQ+ Students in College and University Settings

Instructor: Marissa Salazar, Ph.D.

Spring & Fall 2020;

Course: Psychology 201: Academics and Careers in Psychology

Spring 2022

Lecture Title: Finding the Path to Success – Research, Funding and Mentorship

Instructor: Marissa Salazar, Ph.D.

Sex Ed Lecture Series – Associated with the American Journal of Sexuality Education

Spring 2022

Invited Speaker: Sex-Ed Lecture Series

Lecture Title: Responsiveness of Sex Education to the Needs of LGBTQ+ Undergraduate Students

Director: Bill Taverner, Ph.D.
