**CES 450 (3 credits)**

Students: Take this opportunity to learn about health, public health, social institutions, and the rich culture and history of Vietnam. You will experience foods, shopping in the markets, and cooking! You will have a great trip to the World Heritage Site of Ha Long Bay.

Students will:

- Visit a School for the Deaf, Community Clinic, Prison, Disability Center, and the rural, mountain community of Nam Dong and the Dong Ba Market.
- Sit down with faculty and students from Hue University of Medicine and Public Health to visit and share a meal.
- Learn of Vietnam's long history and culture at the Ho Chi Minh Complex in Hanoi, The Museum of Ethnology to understand the many diverse cultures of Vietnam, the Hue Museum of Royal Antiquities for an insight into Vietnam's history, the historical monuments of the One Pillar and Thien Mu Pagodas, and the Khai Dinh and Tu Duc Tombs.
- Take in a traditional Water Puppet Show, the Tra Que Vegetable Village, a cooking lesson, and a traditional craft village.
