WORK EXPERIENCE

Vista Community Clinic

Vista, CA

1/2013-present **CHIEF HEALTH PROMOTION OFFICER**

- Responsible for directing and supervising community and in-house health promotion, education and research programs, as well as general outreach efforts and grantwriting for the entire agency. Responsible for program oversight of contract monitoring, evaluation activities, report writing, financial management and staff supervision to Health Promotion Center (HPC) programs. Program areas include youth development, alcohol, tobacco and other drug prevention, migrant services, HIV/AIDS prevention, and maternal and child health.

11/2011-12/2012 **ASSISTANT DIRECTOR, HEALTH PROMOTION CENTER (HPC)**

- Responsible for assisting the HPC Director with the development, implementation, evaluation and financial management of all HPC programs. Program areas include youth development, alcohol, tobacco and other drug prevention, breast health, migrant services, HIV/AIDS prevention, clinical programs, and maternal and child health.

4/2010 – 10/2011 **PROGRAM MANAGER III**

- Responsible for the implementation, maintenance, monitoring and evaluation of assigned health grants/programs. Provided oversight and management of the work plan and budget as defined by the program guidelines. Completed program/grant reporting requirements.

10/2009 – 10/2011 **PREVENTION SPECIALIST**

- 1/2011-10/2011 Shared role of media specialist coordinating media advocacy efforts related to the alcohol and other drug prevention strategies.
- 10/2009 – 1/2011 Responsible for the implementation of the SAMHSA STOP Act workplan objectives to prevent underage drinking in the local Hispanic community

Emmanuel Evangelical Methodist Church

Cochabamba, Bolivia

4/2008 – 9/2009 **COMPREHENSIVE HEALTH MINISTRIES COORDINATOR**

- Provided program oversight of five comprehensive health ministries including program planning, evaluation, and financial management, including direct supervision of volunteers responsible for the day-to-day activities of each ministry, and programmatic and financial reports to submit to the local church board, national church authorities and individual donors.

Vista Community Clinic

Vista, CA

5/2004 – 6/2007 **ASSISTANT DIRECTOR, HEALTH PROMOTION CENTER (HPC)**

- Provided program oversight of contract monitoring, evaluation activities, report writing, financial management and staff supervision to HPC programs. Program areas included teen pregnancy prevention, alcohol, tobacco and other drug prevention, breast health, child passenger safety, and HIV/AIDS prevention.

1/2004 – 5/2004 **COMPREHENSIVE PERINATAL HEALTH WORKER (CPHW)**

- Provided direct education, services and case management to individuals and groups eligible for the Comprehensive Perinatal Services Program (CPSP) on specific health issues related to pregnancy.

Center for Children's Environmental Health Research - CHAMACOS Study

University of California, Berkeley

8/2001 – 8/2003 **GRADUATE STUDENT RESEARCHER**

- Assisted in the development and implementation of a community-based participatory research intervention study to prevent pesticide exposure in farmworkers and their families in Salinas, CA
- Assisted in the data collection for the Health Effects Study and in grant writing for the Center
