*Note: **59 total units** to complete degree (sometimes more if your final project takes longer).

Supervision courses in italics. Enroll online with a specific instructor.

File your Program of Study and apply to advance to candidacy once you have completed all required core classes (PH601-604, 641 & 650R).

It is your responsibility to check in Webportal that you receive credit in all completed supervision courses. If you do not finish all the work in the semester you register, you will receive a "RP" ("Report of Progress" placeholder grade) from the instructor of record. This will be changed to "CR" ("credit") once you have fulfilled all requirements.

Please contact Dr. Lianne Urada if you have questions about SW classes.
Contact Dr. Finlayson (tfinlayson@mail.sdsu.edu) for advising about PH classes

Duals complete a thesis as their culminating experience, and have a 3-semester sequence starting in Yr 2. The first 797 course in 2nd yr spring alternates between PH and SW. The heavier course load in 1st semester Fall allows for more internship and thesis time in Yrs 2 and 3.

Duals typically complete a social work internship/field placement
Duals are welcome to also complete a PH HMP field placement (not required)
Duals are encouraged to participate in all HMP Professional Development Events (not required)
