EDUCATION

Harvard T.H. Chan School of Public Health MPH	2014-2016 Health and Social Behavior
Boston Children's Hospital & Harvard Medical School Postdoctoral Fellowship	2010-2012 Adolescent Medicine and Pediatrics
University of Michigan PhD	2005-2010 Psychology (Developmental)
University of Michigan Graduate Certificate	2005-2009 Development, Psychopathology, and Mental Health
University of Michigan MA	2005-2007 Psychology
University of California, Los Angeles BA	2000-2005 Psychology and English

ACADEMIC POSITIONS

Associate Professor San Diego State University School of Public Health	08/2016-Present, Tenured as of 08/2019 Health Promotion and Behavioral Science
Lecturer Harvard Medical School	08/2016-Present Department of Pediatrics
Assistant Professor Harvard Medical School	06/2015-07/2016 Department of Pediatrics
Instructor Harvard Medical School	07/2012-05/2015 Department of Pediatrics

PROFESSIONAL POSITIONS

Core Investigator San Diego State University Research Foundation	08/2016-Present Institute for Behavioral and Community Health
Co-Director San Diego State University Research Foundation	08/2019-Present Center for Research on Sexuality and Sexual Health
Participating Scholar San Diego State University Research Foundation	08/2016-08/2019 Center for Research on Sexuality and Sexual Health

SCHOLARSHIP AND PROFESSIONAL GROWTH

Honors and Awards

Research

2019	Fellow, Academy for Eating Disorders (AED)
2012	AED Early Career Investigator Travel Award (NIMH, R13)
2011-2013	National Institutes of Health Pediatric Loan Repayment Program
2008-2010	LIFE Fellowship, International Max Planck Research School on the Life Course
2008	Institute of Social Research Social Science Summer Training Award
2006-2008	University of Michigan Rackham Conference Travel Awards
2005	National Science Foundation Graduate Research Fellowship: Honorable Mention

Teaching

2020	Most Influential Faculty Member, SDSU School of Public Health
2019	Most Influential Faculty Member, SDSU LGBTQ+ Studies
2009	University of Michigan Outstanding Graduate Student Instructor Award
2008	Best Mentor, University of Michigan Undergraduate Summer Research Opportunity Program

Other Awards and Competitive Selections

2020	Australia & New Zealand Academy for Eating Disorders and AED Distinguished Service Award
2005-2010	University of Michigan Rackham Merit Fellowship
2005	UCLA LGBT Studies Dan Calder Award for Academic Excellence
2005	Phi Beta Kappa, UCLA Chapter
2005	Magna Cum Laude degree honors
2003	UCLA Distinguished Bruin Award
2000-2004	UCLA Alumni Association Rose & Sam Gilbert Scholarship

Funded Research Grants

1. Suicide Prevention for Sexual and Gender Minority Youth, \$714,957
NIH/NIMH R61 MH120236 (Co-I, MPI: AJ Blashill, K Wells)
04/2020-03/2022
The proposed study will adapt and test an intervention that integrates patient navigation with safety planning to prevent suicide. This intervention program for SGM youth and emerging adults is designed to target mechanisms that theoretically underlie suicide.
2. Targeting Stress and Socialization Processes Underlying Tobacco Use among LGBTQ+ Populations, \$20,000
San Diego State University Cancer Research Group (PI)
11/2019-10/2020
The proposed research will develop a self-report ecological momentary assessment protocol to validly and reliably measure minority stress exposure, exposure to smoking socialization, and behavior; and assess the acceptability and feasibility of real-time measurement of minority stress, smoking socialization, and smoking behaviors among LGBTQ+ young adults.
3. High School Gay-Straight Alliances: Practices that Predict Academic Success, \$1,360,196
Institute for Education Sciences, US Department of Education, R305A190165 (Co-I; PI: VP Poteat)
09/2019-08/2022
The goal of this multi-site research (MA, NY, CA) is to use diverse short term longitudinal research designs to investigate specific practices in school-based gender-sexuality alliances/gay-straight alliances that contribute to the socio-emotional well-being and academic achievement of LGBTQIA+ adolescents.

4. Eating Disorders Prevention for Transgender Young Adults: An Intervention Mapping Approach, \$50,000
Harvard Medical School, Harvard Catalyst Pilot Grant (Co-I; PI: AR Gordon)
06/2019-05/2020
Guided by an Intervention Mapping approach, this formative study will identify evidence-based interventions and assess fit for gender minority young people; explore relationships between appearance ideals, stigma/resilience, and body image concerns among gender minority young adults; and work with an expert panel of gender minority community members to develop tailored materials for a positive body image development intervention for gender minority young people.
5. SDSU HealthLINK Center for Transdisciplinary Health Disparities Research, \$4,364,734
NIH/NIMHD, U54MD012397 (Co-I; MPI: GX Ayala, K Wells)
07/2018-06/2023
The goal of the SDSU HealthLINK Center for Transdisciplinary Health Disparities Research is to enhance capacity and improve infrastructure at SDSU and its partner organizations to advance minority health and health disparities research among racial/ethnically diverse, sexual and gender minority, and lower-income populations using community-engaged transdisciplinary research approaches.
6. Photography as Youth Voice: Partnering with Homeless Youth in San Diego to Explore the Hepatitis A Outbreak and Strategies to Prevent Future Infectious Disease Outbreaks, \$10,000
San Diego State University Grants Program (MPI: JP Calzo, JK Felner)
12/2017-12/2019
The goals of this pilot youth participatory action research study are to establish partnerships with community-based organizations and examine the impact of public health campaigns during the 2017 Hepatitis A outbreak in San Diego on homeless sexual and gender minority adolescents and transitional age youth.
7. Group-Based Eating Disorder Prevention Program for Sexual Minority Young Adult Men, \$684,803
NIMHD R01HD012698 (Co-I; PI: AJ Blashill)
09/2017-04/2022
Randomized control trial to test the efficacy of the PRIDE Body Project compared to a time- and attention-matched media advocacy condition to prevent eating disorders in young adult men who are gay or bisexual.
8. A Community-Based Participatory Approach for Reducing STDs Among Latinx Youth in South Bay, San Diego, Community Approaches to Reducing Sexually Transmitted Diseases (CARS), \$1,000,000
1 NU22PS005114-01-00, CDC (Co-I; PI: E Walsh-Buhi)
09/2017-09/2020
The long-term goal of the CARS project is to create a sustainable, culturally relevant intervention to reduce sexually transmitted diseases (STDs) among the 15-24 year-old Latinx population in South Bay, San Diego, using a community-based participatory research (CBPR) model.
9. Mechanisms of Health Promotion in Diverse Youth Through Gay-Straight Alliances, \$438,892
NIMHD R01MD009458 (Co-I; PI: VP Poteat)
09/2015-06/2019
This research uses mixed methods, multi-informant data to examine components of involvement in high school gay-straight alliances and their relation to health and positive youth development outcomes among racial/ethnic minority LGBTQ youth.
10. Substance Use and Disordered Weight Behaviors in Sexual Minority Youth Contexts, \$721,007
NIDA K01DA034753 (PI)
01/2013-12/2017
This K01 career development award research utilizes national, longitudinal epidemiologic survey data and intensive data analysis with a community cohort of sexual minority youth to identify modifiable contextual characteristics in youth settings that may reduce risk for substance use and disordered weight behaviors.

11. Generations+: Intergenerational Dialogue for HIV/AIDS Action, \$7,302
Aerosmith Endowment Fund (PI)
01/2016-02/2017
This award supports the development, implementation, and evaluation of community-based story circles where sexual minority people of color in Boston can reflect on experiences and perceptions of HIV/AIDS.
12. HIV Prevention: A Rehearsal for Life, \$7,920
Aerosmith Endowment Fund (PI)
05/2015-06/2016
Award supported data analysis, writing community briefs, and writing a manual for a community theater workshop focused on educating LGBTQ youth about HIV prevention and safe-sex communication.
13. HIV Prevention in LGBTQ Youth through Theater-Based Education, \$13,603
Aerosmith Endowment Fund Grant (PI)
01/2014-04/2015
Created and evaluated a theory-based community theater workshop to educate LGBTQ youth about HIV prevention communication and peer education.
14. Evaluating A LGBTQ Youth Performing Arts Program for Effects on Depression and Self-Esteem, \$25,900
01/2013-12/2015
Determination of Need Fund, Binney Project (Pilot Project MPI: JP Calzo, E Francis; PI: M Schuster)
Supported a community-based participatory research project to examine the effects of involvement in a theater-based arts program for youth on the depressive symptoms and self-esteem of LGBTQ adolescents.
15. Eating Disorders and Adolescent Body Image Among Boys and Sexual Minorities, \$94,773
Ruth L. Kirschstein Postdoctoral National Research Service Award, NICHD F32HD066792 (PI)
09/2010-12/2012
This grant funded an examination of sexual orientation differences in the socialization of weight and muscularity concerns, and linked these processes to the developmental psychopathology of disordered dieting and exercise behaviors in heterosexual and sexual minority (i.e., gay, bisexual) adolescent boys.

Peer-Reviewed Scholarship

12. **Calzo JP.** Challenges and Future Directions in Research and Assessment of Eating Disorders in Males. Invited workshop and panel discussion. The Renfrew Center Foundation Conference, Philadelphia, PA. November 2015.
13. **Calzo JP.** Changing the Conversation: Positioning Museum Youth Programs as Promoters of Wellness and Socioemotional Development. Invited presentation and discussion. Education Department Board Convening, Institute of Contemporary Art, Boston. November 2015.
14. **Calzo JP.** Community-Based Participatory Research Approaches for LGBTQ Health Research. Invited workshop and discussion. Summer Institute in LGBT Population Health, The Fenway Institute and Boston University School of Public Health. July 2014.

TEACHING AND MENTORSHIP

San Diego State University

Courses

Graduate

PH666 Program Planning & Assessment, 3 units (MPH) / Fall 2018; Fall 2019

PH861 Behavioral Measurement, 3 units (PhD) / Spring 2017; Spring 2018; Spring 2019; Spring 2020

PH700F Adolescent Health, 3 units (MPH) /Fall 2017, Fall 2020

Undergraduate

PH353 Human Sexuality & Disease, 3 units /Fall 2018

Guest Lectures

Graduate

PH800 Seminar in Professional Development (E. Reed) / Fall 2018

Title: Advice on National Research Service Awards and Career Development Awards

PH700F Sexuality, Gender, and Public Health (H. Corliss) /Fall 2017

Title: Community-Based Participatory Research and HIV Prevention through Theater Based Education

Undergraduate

JMS410 Media & Sexuality (N. Rodriguez) /Fall 2018

Title: LGBTQ Advertising & Health

USP147 (University of California, San Diego), Case Studies in Health Care Programs/Poor and Underserved

Populations (L. Lewis) / Spring 2017

Title: Health Disparities among LGBTQIA+: Contributing Factors and Effective Interventions

Mentees

Postdoctoral Fellows

Jennifer Felner, PhD (Co-Mentor with Dr. Heather Corliss), (2017-Present)

Mentor on CBPR project examining the HepA outbreak in San Diego and a secondary data analysis of school-based data to examine LGBTQIA+ disparities in tobacco and cannabinoid use. Supported via a T32 training grant and a fellowship from the Tobacco-Related Disease Research Program.

Master's Thesis Committees- Chair

Sally Windisch—Completed Summer 2020

Title: Patient-provider language concordance and behavioral health help-seeking behaviors among Asian Americans and Pacific Islanders

Daniel Burdsall—Projected Fall 2019

Title: Youth Participatory Action Research to Address Food Deserts

Emily Dang—Completed Spring 2019

Title: Evaluating School-Based Programming to Reduce Plate-Waste and Enhance Student Nutrition

Tyler Linvill—Completed Spring 2019

Title: Mentorship-Based Interventions to Reduce Youth Involvement in Gangs in Colombia. *Received 2019 Outstanding Health Promotion & Behavioral Science Student Award.*

Pauline Lasquete—Completed Summer 2018

Title: Prevalence of Risk Factors for Type 2 Diabetes among Filipino-American College Student in California

Russell L. Argenal—Completed Summer 2017

Title: Differences in Disordered Eating Among Sexual and Gender Minority College Students in the National College Health Assessment

Master's Thesis and Integrative Learning Experience Committees- Second or Third Member

Rashanna Lee (Chair: C. Clune-Taylor)—Projected Spring 2021

Topic: The Impact of a Plant-Based Diet on Dysmenorrhea and Premenstrual Syndrome

William Grunewald (Chair: A. Blashill)—Completed Spring 2020

Topic: Body Image and Suicidality among Gay and Bisexual Men

Katie Rozzell (Chair: A. Blashill)—Completed Summer 2019

Topic: Impulsivity and Disordered Eating among Men

Amanda Farr (Chair: E. Walsh-Buhi)—Completed Spring 2019

Title: Community-Based Participatory Research and Youth Participatory Action Research Approaches with LGBT+ Youth: A Systematic Review

Daniel Manzo (Chair: N. Crespo)—Completed Spring 2019

Title: An Exploratory Study of Factors Associated with Physical Activity and Eating Habits among Long Haul Truck Drivers

Vanessa Perez (Chair: N. Crespo)—Completed Spring 2019

Title: Trucker Health Study—A Qualitative Analysis on the Factors Associated with Mental Health of Long Haul Truck Drivers

Kalina Lamb (Chair: A. Blashill)—Completed Spring 2018

Title: The Moderating Role of Sexual Orientation in the Association between Religiosity, Spirituality, and Hypertension: Results from a Nationally Representative Sample

Sue Royappa (Chair: H. Madanat)—Completed Fall 2016

Title: Intuitive and Disordered Eating Behaviors of College Students in Southern India

Master's Capstone Projects- Advisor

Michelle Alcantar (Community Partner: Escondido Unified School District)—Completed Spring 2020

Topic: Development of School Mental Health Wellness Fair

Title: Development of Body Image Concerns & Disordered Eating Behaviors in Male Adolescents / Fall 2012

ID264 (Harvard Chan), Practice and Culminating Experience in Health and Social Behavior (B. Gottlieb)

Title: Focus Group Methods / Spring 2015

WGH207 (Harvard Chan), Advanced Topics in Women, Gender and Health (H. Corliss)

Title: Gender-Based Analysis of Eating Disorder Risk among Boys and Men / Spring 2019

Title: Gender, Body Image Socialization and Eating Disorder Risk / Spring 2011, 2012

Mentees

Fellows (Postdoctoral PhD and Medical)

Emily Kroshus, ScD (2014- 2015)

Postdoctoral Research Fellow, Harvard Chan. Mentor for research on concussions in high school and college athletes. Publications in *Social Science & Medicine*, *Health Education & Behavior*, and *Health Education Research*.

Sari Reisner, ScD (2013-2014)

Postdoctoral Research Fellow, Harvard Chan. Mentor for research on risk behaviors by sexual orientation, resulted in paper on seat belt use in 2014 in *American Journal of Public Health*.

Scott Hadland, MD, MPH (2011-2015)

Medical Fellow, HMS/Boston Children's Hospital. Mentor and Scientific Oversight Committee member for research on eating disorder behaviors among sexual minority adolescents, resulting in poster presented at the Pediatric Academic Societies meeting and a 2014 publication in *Journal of Adolescent Health*.

Doctoral Students

Gabe Murchison, MPH (2019-Present)

Doctoral Student, Harvard Chan. Mentoring on research project examining how school-based Gender & Sexuality Alliances support LGBTQIA+ students around substance use risk factors and support.

Trine Tetlie Eik-Nes, PhD, MSc (2016-2018)

Norwegian University of Science and Technology, Visiting Scholar, HMS/Boston Children's Hospital. Mentored research examining drive for muscularity in the Growing Up Today Study. Resulted in 2017 International Conference on Eating Disorders and publication in *International Journal of Eating Disorders*.

Howard Li, MD (2015-2019)

Medical Student, HMS. Mentor for research using community-based participatory research (CBPR) approaches to study the intersection of positive youth development and LGBT youth health in community based organizations. Poster received an Honorable Mention award at HMS Medical Education Day, 2016.

Research Assistants

David Menino, BS (2014-2017). Mentored in school-based, mixed-method research on the health and social adjustment of gender and sexual minority youth. 2018 recipient of a Fulbright Fellowship to conduct sexual health research and service in the Philippines.

Riana Jumamil, BS (2014-2015). Mentored in CBPR projects with gender and sexual minority youth. Subsequently completed medical school at Albert Einstein College of Medicine.

University of Michigan

Courses (as Graduate Student Instructor [GSI])

PSYCH351 Adv. Laboratory in Developmental Psychology, 3 units (Faculty: E.M. Evans) / Fall 2008, Winter 2008

PSYCH111 Introduction to Psychology, 3 units (Faculty: C. Seifert) / Fall 2007

Guest Lectures

PSYCH380 Adolescent Sexuality Seminar (S. McClelland)
Title: Media and Sex / Winter 2010

Mentees

Corissa Carlson, PhD (2009-2010). Undergraduate research assistant. Mentored in qualitative data analysis of interviews of college men's experiences of sex in the context of romantic relationships and hookups. Summer Research Opportunity Program (2008). Provided one-on-one mentorship to 15 undergraduate students from across the US and Puerto Rico who are from backgrounds that are underrepresented in academia. Provided guidance on selection and application to PhD programs and additional support on summer research projects in social and behavioral sciences.
